Keith, D. ..... 422

Ashworth's plurality ..... 214

THIS is the appointed day.

It is the day set apart by good fortune for the eagle to scream and for Colorado to rejoice.

The mark set by Colorado Springs Republicans in the election of last fall has been reached again and passed.

Denver has gone Republican and Leadville and Trinidad are in line.

But for Colorado Springs it was a gala day. From mayor to alderman in the fifth ward there was nothing in which the opponents of the Republican party might take consolation. The majority by which John R. Robinson is mayor of Colorado Springs was raised from about 200 in the election two years ago to 1,272 in the election of yesterday. Harris is high man in the city and Case is high man among those who had opposition.

The total vote is approximately 3,166 The total registration was 10,195.

The Socialist and Prohibition votes are higher than would ordinarily be supposed. With two or three precincts yet to hear from on these candidates W. F. Hunt, Prohibition candidate for auditor, stands at the head of his ticket with 145 votes and J. M. Downing, Socialist candidate for treasurer, is at the head of his ticket with 251.

The day was a beautiful one but it was beginning to get old before the voting was lively enough to cause any rejoicing. The north end was a solid phalanx for Robinson and the south end was Republican where it has not been Republican before. There was a vast amount of scratching ballots in the south end and this was favorable to Jones. The scratching was due to the personal popularity of the Democratic candidate for mayor and the great strength of the Republican candidates for alderman.

The candidates spent the day riding about the city greeting friends and endeavoring to form conclusions as to the outcome. There were six or seven thousand conclusions reached by the candidates and their friends but a great many of them have been changed by subsequent developments. There were disappointments for some and surprises for many, but today everything is clear and the general topic of discussion is how it happened.

There was considerable interest in the street railway and other side propositions in the election, much more than appears from the number of votes cast. There were in every precinct in the city numerous instances where persons desired and attempted to vote on the street car franchise but found themselves disqualified by some provision in the law that they did not understand.

The vote on the street railway franchise was heavier than that of any other of the ordinances. The returns on these propositions are as yet a little incomplete but the election was an unqualified indorsement by the people of the street car franchise and of all the other ordinances which needed only the people's indorsement to become operative.

Twelve precincts out of the 23 in the city, on the street railway franchise recorded 620 votes in favor of the franchise and 45 against it. The vote on the other propositions was in about the same proprtion though not quite so heavy in any other case.

There was little friciton or unpleasantness during the day in any precinct. At number 46 there was a challenged vote in the afternoon that occasioned considerable amusement. A man named Moore appeared and gave his name, was allowed to vote and his ballot was deposited in the box. A watcher then challenged him, saying that the name of the man under whose name this voter had voted, was the name of a man who had been killed in a railway wreck since the name was placed on the books. The voter resented the insinuation, declaring that he was Moore himself and that he was not dead in any sense of the word. Several persons who knew him testified that he was Moore and that he was not dead and since he had already cast his ballot anyway, and it could not be recovered, he was allowed to go his way in peace.

Precinct twenty-eight was the center of considerable activity. This precinct was considered by all a Republican stronghold and the Republicans started in early to make the plurality sure. Apathy was found to exist largely in this precinct and the most earnest efforts of the workers failed to get out a satisfactory vote during the morning hours. Out of a total registration of 481 by noon less than 150 had voted. To add to this threatening state of affairs the Democrats got in some trickery that deprived the Republicans of carriages for nearly two hours just after dinner. Mr. Stratton had furnished a number of carriages for each precinct, to be used impartially by the two parties with the hope of getting out a good vote on the franchise. The Democrats played fair up to noon, but when the drivers took their teams to the stables to feed them the Democrats got in some characteristic work. The drivers were bought off and when they started to work in the afternoon the Democrats had them in their own charge, thus violating their faith with Mr. Stratton. As nearly all the rigs in town were being used at the polls the Republicans were left without any means of getting their voters to the polling places. This condition of affairs lasted for about two hours right in the most needy part of the day, but the Republicans proved equal to the emergency at least, and finally got some rigs at work.

There was little of interest around the polling places during the day. The workers and watchers were doing their work industriously and every effort made to get out the vote. A total of 315 votes was polled.

When the count began Robinson led on straight tickets by 176. The feature of the count was the neck and neck race between the two mayoralty candidates on the scratch tickets. They kept even up to the last when Robinson forged ahead and won out by eight votes making his plurality 184.

Precinct twenty-nine was another sufferer by the carriage robbery perpetrated by the Democrats and the Republicans—doubtless lost a number of votes through this piece of dirty work.

After finding that a large number of the registered voters of this precinct were out of the city, the workers succeeded in voting a total of 284 out of a registration of 392. The feature of the day in twenty-nine was the number of people who were out of the city.

This precinct again broke the record in clerical work. The votes were counted and the result announced there ahead of all other precincts.

Precinct thirty, the north precinct of the first ward had a light registration, the total being 283 and of this number 166 votes were cast. There was little of interest up there. An effort was made to work the carriage racket up there, too, but Republican workers effectively blocked the scheme and two wagons were going all day.

Precinct thirty-four was one of the heaviest in registration, but it made a poor show of votes. A trifle over 50 per cent of the vote was got out, a total of 347 being cast out of 616 registered. There were no exciting or unusual incidents during the day there. Robinson was found to lead by about three to one on straight tickets, but Jones pulled up strong on the scratched ballots. Capell ran strong in this precinct and the whole Republican ticket kept well up in the race.

In Precinct 27 there was an unknown problem when the day opened. The precinct had always been a tremendous Republican stronghold but that was before the re-districting of the city and the precinct extended north to the college. Democratic leaders as late as five oclock yesterday afternoon claimed that Robinson had no easy thing in this precinct and that it would be very nearly an even break, with odds a little bit in favor of Jones. The result showed that it is still a good Republican precinct, however, Robinson landing 70 to the good. There was no friction during the day.

Precinct 31 was one of the interesting propositions of the day. It was the voting place for practically the whole east side of the city. Francis Capell showed just about the best generalship of the campaign by his management of the campaign in this precinct of the second ward. Never for a moment did he allow it to occur to him that he had a sure thing or that Mayor Robinson could win in the second without hard work. The vote was dragged out if it did not come willingly and the result was a handsome majority in the ward for Robinson as well as a complete walkover for the aldermanic candidate himself.

The Temple theater precinct developed little of interest in any way during the entire day. It is precinct 32, and was the last precinct in the city to report its vote. There were no unpleasant features to the election in this precinct. All the party workers did valiant service throughout the day but the result was a part of the landslide.

Precinct 33 was remarkable chiefly for the lateness with which its vote appeared. It was extremely light until the middle of the afternoon when the voters began appearing and the total vote was about 400, the registration being almost 700. It is the largest precinct in the city so far as registration is concerned.

Precinct 37. In this precinct about 67 per cent. of the registered voters turned out, making the total vote cast 275 out of 408 registered voters. General quietness prevailed; no unpleasant incident transpired; no disqualified voters attempted to vote; there were no ballots spoiled; and every ballot issued was voted. The voting was very evenly divided during the hours the polls were open. In this precinct the

# DENVER IS REPUBLICAN

## Mayor Practically Certain---Rest of City Ticket Conceded Nine Out of Sixteen Aldermen.

Special to the Gazette.

Denver, April 3, 1:45 a. m.—Returns on vote for mayor, from 144 precincts out of 193, give Wright (Rep.), 13,502, Wells (Dem.), 11,717; Johnson (Ind. Dem.), 3, 346. Wright is gaining in precincts where Republicans had previously conceded he would lose. Precincts not yet heard from are more likely to increase his plurality than to lessen it.

(By Associated Press.)

Denver, April 3.—The Republicans have made almost a clean sweep in today's election. The Democrats claim mayor and president of the board of supervisors, but these are not conceded by the Republicans. The rest of the ticket is claimed by the Republicans by 4,000 to 5,000 and is conceded by the Democrats. Of the sixteen aldermen, nine are positively claimed by the Republicans with more in doubt.

The candidates who appear to have been elected at this hour, 2 a. m, are as follows

Mayor, R R Wright, Rep.; clerk, Frank Kratzer, Rep, auditor, D. A. Barton, Rep, treasurer, Paul J. Sours, Rep, attorney, H, M. Orahood, Rep; engineer, Peter O'Brien, president of board of supervisors, W. A. Hover, Rep, supervisors, C. M. Lindquist, T. A. Uzzell, Nathaniel Robertson, W. B. Lowry

About 4,000 votes were cast for the Johnson ticket

The following is the list of aldermen who at this hour, 2 a. m., appear to have been elected

First ward, P H Mullen, Dem; second, Theo McGuire, Dem; third, J. N. Stoddard, Dem, claimed to be in doubt, fourth, Adolph Siebold, Dem., fifth, Andrew Kelly, Dem; sixth John Conlon, Dem seventh, William Gahan, Rep, eighth, J O Parrish, Rep.; ninth, W. B Tebbetts, Rep, tenth, A. N Patton, Rep, eleventh, G. W. Weick, Rep., twelfth, C. W. Cochran, Rep, thirteenth, F. A Bailey, Dem, fourteenth, D S Gray, Rep; fifteenth, Pinckney Wellick Rep, sixteenth, O. E Adamson Rep

Special to the Gazette.

Denver, Colo., April 2—At midnight tonight 111 out of 193 precincts had given the following vote for mayor: Johnson, Ind 2,903, Wells, Dem., 8,934; Wright Rep, 9,931. The rest of the Republican ticket is conceded by majorities ranging from 3,500 to 5,000. The Republicans will also have a majority of the board of aldermen and the board of supervisors.

The election has been hotly contested by both sides and it is generally understood that a number of protests will be filed against the returns in some precincts. The 82 precincts yet to hear from are conceded to be Democratic, but the Republicans claim that their majorities will not be large enough to overcome the majority they already have. There was no end to scratching and the exact count of the board of aldermen and the board of supervisors cannot at this hour be given.

The day has been an ideal election day. All parties made desperate efforts to get out a full vote, but only succeeded in polling a medium vote. There were the usual number of charges and counter-charges of fraud. During the day Mayor Johnson issued the following appeal:

Denver, Colo., April 2, 1901.

To Every Male Inhabitant of the City of Denver over the Age of 18 Years:

Being informed that in certain precincts of the city of Denver the most open, barefaced and corrupt methods are being adopted for the purpose of carrying this city election, and that such practices are being allowed in the presence of and with the connivance of some of the police force of the city, I, Henry V. Johnson, as mayor of the city of Denver, do declare an emergency exists, and for the proper enforcement of the laws of the state and ordinances of Denver, I hereby call upon every able-bodied male citizen of the city of Denver, over the age of 18 years, who believes in maintaining the purity of the ballot box and who desires to see the laws of this state and city maintained and upheld, to report at once to me at my office at the city hall for duty, and to aid me and under my direction in enforcing the laws and ordinances aforesaid, and in preserving the peace and safety of the city of Denver. Henry V. Johnson, Mayor

Within half an hour's time after the appeal had been printed over 200 men offered their services. They were placed under the immediate direction of General Irving Hale, who distributed them at the polling places where it was thought fraud might be practiced.

Only one serious fight occurred during the day A J. Deiber was instantly killed and A. T. Rice, probably fatally wounded at Overland Park at 6.30 o'clock this evening by a hostler known as Max Rogers, employed at the Misler's stables. The shooting was presumably over a political dispute. All three of the parties were employed at the stables. Rice is a married man. Rogers used a Winchester rifle and shot Rice twice, once through the left hand, and the other time in the left side. Rice was taken to the county hospital and Rogers surrendered to the police.

In the lower portions of the city where it was expected that trouble might occur everything passed off quietly.

### AT OURAY

**Only One Ticket in the Field, Made Up of Good Citizens On Non-partisan Lines.**

Ouray, April 2 The city election passed off quietly with little interest, owing to the fact that there was only one ticket, the Citizens, in the field. The following officers were elected: Mayor, W. W. Rowan; city treasurer, Mrs. Mary Shanks; aldermen: first ward, L. A. Omland; second, E. H. Powell; third, H. W. Farrell; fourth, W. F. Wheeler.

The ticket was composed of Republicans and Democrats and all the officials are prominent and competent business citizens.

### GLENWOOD SPRINGS

Special to the Gazette.

Glenwood Springs, April 2.—The municipal election here today passed off very quietly and resulted as follows. For mayor, B. T. Napier 119, S. J. Dolan 60; for trustees, Sam Doughan 138, E. L. Gamble 132, C. C. Parks, 118, Thos. Kendrick 63, E. B. Everette 11. On the water bonds, in favor 57, against 30, electric light bonds, in favor 58, against 30, free bath house, in favor 29, against 50.

The vote for Dolan for mayor and Kendrick for trustee was very unexpected as neither had been mentioned as candidates until yesterday.

### ROCKY FORD

Special to the Gazette.

Rocky Ford, April 2.—The vote was cast nearly as registered. Ward 1 gives Swink for mayor a majority of 2. Ward 3 gives Pollock for mayor a majority of 39. The count in ward 2 is not yet finished at 11:30, but will probably give Swink a big majority. Swink will no doubt be elected by 25 votes.

Daring, on Businessmens ticket is elected aldermen from first ward, which, with the holdover council, will throw balance of power on license question in hands of mayor.

### TRINIDAD

Special to the Gazette.

Trinidad, April 2.—The Republicans elected the mayor, treasurer, police judge and a majority of the council.

The weather was fine and the election passed off quietly.

### LEADVILLE

**Republicans Elected Mayor, Treasurer and One Alderman Democrats Elected Two Aldermen.**

Leadville, Colo., April 2—The city election passed off very quietly. There were only two tickets in the field, Democratic and Republican. The principal contest being on the mayoralty. Complete returns give McDonald, Rep, 2,039, Jeannotte, Dem., 1,901; Curtis, Rep, for treasurer, 1,953; Stead, Dem, for treasurer, 1867.

The Democrats elect Lamping and Horrigan for aldermen; the Republicans elect Smith.

### IN ARKANSAS.

Little Rock, Ark., April 2—Municipal elections were held throughout the state today and in nearly every case where party lines were drawn the Democratic nominees were elected. In Little Rock, Mayor Duley, Dem., was reelected by a large majority.

# RETURNS FROM CITIES IN CRIPPLE CREEK DISTRICT

Special to the Gazette.

Cripple Creek, April 2 Election day passed off quietly in Cripple Creek, and tonight the Democrats are parading the streets headed by a band celebrating their victory. It was a clean sweep and brooms are at a premium among the paraders. About 70 per cent. of the registered vote was polled in the 19 precincts with the following result: For mayor, Crane, Dem., 2,125; Arthur, Rep., 1,646 Crane's majority 479. For treasurer, Smith, Dem., 2 202; Burton, Rep., 1,424—Smith's majority, 778. For aldermen, 1st ward, Gwin, Dem., 600; Smith, Rep., 401 Gwin's majority 199; 2nd ward, Pfeiffer, Dem., 646; Higgins, Rep., 462—Pfeiffer's majority 184; 3rd ward, Van Derweyden, Dem., 390, Canfield, Rep., 307—Van Derweyden's majority 83, 4th ward, Ferguson, Dem., 659; Burke, Rep., 372—Ferguson's majority 187.

### VICTOR

Special to the Gazette.

Victor, April 2 The Democratic candidates were successful today over the combined forces of the Republican and co-operative parties. Considering the fact that Victor is a Democratic stronghold the combined forces made an excellent showing. With one precinct to hear from at midnight the result is as follows: For mayor, Franklin, Dem., 838; Horgan, Rep., 789; Franklins majority 49. For treasurer, Donahue, Dem, 940, Harper, Rep, 860; Donahue's majority 80. For aldermen: first ward, Polk, Dem., 190; Emery, Rep., 154; Polk's majority 36: second ward, Nelson, Dem., 453; Bunte, Rep., 318; Nelson's majority 135. In the third ward a fair estimate with the missing precinct included gives Robinson, Dem., 400; Kelly, Rep., 365; Robinson's majority 35. It is not thought that the official figures will change the election of any candidate shown to be elected here.

### ALTMAN.

Special to the Gazette.

Altman, April 2 There was little excitement over the election in Altman today as there was but one ticket in the field. The ticket selected is a good one and is as follows: For mayor, A. B. Arnold; for trustees, long term Thomas F. Cole, L. A. Van Tilborg and J. P. Moore; for trustee, short term, T. J. Carey.

### CAMERON.

Special to the Gazette.

Cameron, April 2—The independent ticket was successful in today's election over the Taxpayers ticket. For mayor, C. L. Arzeno received 81 votes, and T. Crisman, the Taxpayers candidate, received 27 votes. Arzeno's majority was 54. For trustees, Messrs. Armstrong, Higgins, Hidden, Robinson and Sturman were elected.

### ANACONDA.

Special to the Gazette.

Anaconda, April 2. The Democratic ticket headed by Peter Murcray for mayor was elected here today with a good majority.

### GOLDFIELD.

Special to the Gazette.

Goldfield, April 2.—The combined Taxpayers and Democratic forces were successful over the Republican ticket today. Their election was bitterly contested but out of a total vote of 739 E. E. Butters, the Democratic and Taxpayers candidate for mayor, received a majority of 331. The balance of the Democratic ticket was elected with good majorities.

# THE RESULTS OF THE ELECTIONS IN KANSAS

Topeka, Kas, April 2—Incomplete returns indicate that J. W. Hughes, Rep, and temperance candidate for mayor, is elected by a safe majority. The women's vote will elect the entire Republican ticket.

Democrats claim to have elected Arthur Parker mayor but concede the rest of the ticket.

### HOLTON.

Holton, Kas., April 2 The entire temperance ticket was elected here today without opposition.

### KANSAS CITY.

Kansas City, Mo., April 2.—In Kansas City, Kan., W. H. Craddock, Dem., is elected mayor by 900 plurality and the whole Democratic ticket is elected except two aldermen and possibly the city attorney. The city went Republican by large majorities last fall, and in the preceding city election, and has never before given a Democratic majority.

### WICHITA.

Wichita, Kas., April 3 At 1:30 this morning it looks as if McLean, Rep., for mayor, will have a majority over both the Citizens candidate and the Prohibition candidate. With a few precincts to hear from his plurality is over 1,200.

### LEAVENWORTH.

Leavenworth, Kans., April 2. One of the most hotly contested spring elections ever held in this city resulted in the election of the entire Democratic ticket by a majority of 500. Ryan was elected mayor and as far as returns received up to 11:30 the Republicans have no prospect for a single candidate except for members of the school board, indorsed by both parties.

### MANHATTAN.

Manhattan, Kas, April 2—The Law and Order ticket, headed by Rev. J. K. Miller, was elected here today.

### FORT SCOTT.

Fort Scott, Kas., April 2—The entire Republican ticket was elected in this city. It favors law and order.

### SALINA.

Salina, Kas., April 2—Thomas Anderson, the temperance candidate for mayor, was elected by an overwhelming majority, together with the rest of the ticket.

### LAWRENCE

Lawrence, Kas, April 2—The Republican ticket was elected here by a majority of 3 to 1 The Prohibition ticket which was placed in the field under the name of a Business ticket did not draw hardly a vote from the Republicans.

### EMPORIA.

Emporia, Kas., April 2 The Republican ticket, which was supported by the prohibition element won today by a handsome majority.

### HUTCHINSON.

Hutchinson, Kas., April 2 Judge Martin, the Citizens candidate for mayor, won here today by 300 majority. Both leading candidates were Republicans and the battle was bitterly fought.

### LARNED.

Larned, Kas., April 2 The non-Partisan Peoples ticket was elected here today which means a victory for the temperance element.

### EUREKA.

Eureka, Kans, April 2.—The Law and Order ticket, with J. B. Mason for mayor, was elected here today after a hard fight.

### GARNET.

Garnet, Kas., April 2. The Republicans elected their ticket here by good majorities.

### ARKANSAS CITY.

Arkansas City, Kans., April 2. The Law and Order ticket was elected here today after a hard fight. W. J. Pollock was elected, mayor by a majority of 75.

### IOLA

Iola, Kans., April 2. The Republicans elected their entire ticket here.

### ATCHISON.

Atchison, Kans., April 2. J. W. Orr, Dem., was elected mayor today by 500 majority. The Republicans elected most of the members of the council.

### GIRARD.

Girard, Kans, April 2.—At a very quiet election today, C. Hitz, Rep., for mayor, defeated his opponent by a large vote. The Republican city ticket was elected by 200 majority.

### HARPER.

Harper, Kans., April 2.—The anti-temperance element elected its entire ticket here today by a large majority.

### GREAT BEND.

Great Bend, Kans., April 2. The Republican ticket defeated the temperance ticket, E. S. Aber being elected mayor by 60 majority.

### NEWTON.

Newton, Kans., April 2. The Republican ticket was elected by over 400 majority with little contest.

### ST. LOUIS

St. Louis, April 2 Rolla Wells, the Democratic nominee for world's fair mayor, was elected to that office today by a plurality of about 10,000. With him was elected the entire Democratic ticket. At midnight Charles Weinhaker, the Republican candidate for city collector, conceded the defeat of the entire Republican ticket. George W. Parker, the Republican candidate, and Lee Merriwether, who is running independently on the municipal ownership platform, are running a close race for second place. St. Louis is normally a Republican city by about 15,000 plurality. This has been reversed and a Democratic plurality of 10,000 rolled up. Some of the Republicans claim that the Nebit law has enabled the Democrats to make such a strong showing at the polls. They claim fraud and threaten to contest the election. The Democrats on the other hand say that their candidate was elected honestly and they do not fear the result of a contest.

This election is of more than local significance, as William J. Bryan, in his paper, The Commoner, and ex-Governor John P. Altgeld of Illinois, from the stump in this city, have fought the election of Wells because he was a gold Democrat for two campaigns. They both indorsed Merriwether, the candidate of the Public Ownership party.

# HARRISON GETS A THIRD TERM

## His Plurality In Chicago 28,000 Against 41,000 at Last Election---Results Elsewhere.

Chicago, April 2. Carter H. Harrison has been re-elected mayor of Chicago for the second time and will next week commence his third term as the chief executive of the city. His total plurality over Judge Elbridge Hanecy, Republican, is 28,257 votes. The total vote of the city is: Harrison, 156,952; Hanecy, 128,695.

In the last mayoralty election the vote was: Harrison, Dem, 148,496; Carter, Rep., 107,437. Harrison's plurality 41,059.

In the presidential campaign last fall the city vote for president was: McKinley, 184,786; Bryan, 177,165. McKinley's plurality 7,621.

Samuel C. Alschuler, Democratic nominee for the governorship, ran ahead of Bryan, however, his vote being 183,521 against 172,836 for Yates, a plurality of 16,135 for Alschuler.

Of the 35 wards of the city Harrison today carried 26 and Hanecy nine. The vote was badly split, some of the strongest wards of the city giving only a small plurality on the ticket and some going to Harrison, who suffered in some of the Democratic strongholds. The city wards were re-districted after the presidential election and the majorities in some of the wards were turned squarely around from what they have always been.

The redistricting will make some difference in the complexion of the next municipal council, as several of the aldermen, who in ordinary circumstances, would have held over, were redistricted out of their wards.

There were two hold-overs in the second and two in the twenty-first wards and no hold-overs in the seventh and the thirty-first. Where there were two hold-overs the new council will decide which men are entitled to the seat and where there were none and two men were elected at the present election the courts will be called upon to decide the question of the legality of an aldermanic election in which two men were elected at one time, instead of one as provided by the statutes governing the case.

For these reasons it is impossible at this time to predict the exact formation of the new council, but the indications are at present that the Republicans will have a working majority. The present body consists of thirty-nine Republicans, twenty-seven Democrats and six independents. Of the hold-overs sixteen were Republicans, fifteen Democrats and three independents.

The chief issue in the campaign has been the granting of franchises to the street car companies of the city. These will all expire soon by limitation and the terms of extension are to be settled during the next two years. Harrison has, in former years, made a record against the granting of long franchises, and he and all of his followers claimed throughout the campaign that the Republican nominee was inclined to grant time privileges. This the Republicans denied with great energy making their campaign on the flaws they picked in the record of Mayor Harrison and saying that Hanecy was no more disposed to favor the street car companies than Harrison.

Hanecy was the nominee of the Republican machine which is dominated by ex-Congressman William Lorimer, and this fact cost him many votes in his party, as there are many of the rank and file of the party who are stoutly opposed to their party machine and all of its works. The Democratic following of ex-Governor Altgeld was against Harrison.

One of the features of the campaign was the aldermanic contest in the twenty-first ward, Mayor Harrison's home ward, where Honore Palmer, son of Potter Palmer, was a candidate for election on the Democratic ticket, it being his first essay in politics. His opponent was S. H. Helm, Republican, who has been alderman from the ward for two years. Palmer was elected by a majority of about 1,200.

The Democrats carried all the city offices on the ticket as well as that of mayor. William Loeffler was elected city clerk; A. J. Ryan, city attorney; and C. F. Gunther, city treasurer.

From the figures available at midnight it appears that their pluralities will be within a thousand of Mayor Harrison's. None of them will probably have a majority exceeding his. In the various towns the elections were about evenly divided. The Democrats carried the south, north and probably the west towns while Republican officials have been elected in the towns of Jefferson, Hyde Park and Cicero.

The Municipal Voters league, an organization composed of business men, took an energetic part in the aldermanic contests in the various wards. The aim of the organization was to secure the nomination of men considered most competent to serve as aldermen irrespective of politics. The league indorsed 29 candidates, of whom 18 were elected.

### WISCONSIN

Milwaukee, Wis., April 2.—County elections were held throughout Wisconsin today and nearly all the cities and towns elected tickets. As a rule party lines were eliminated. Joshua E. Dodge was elected to the supreme bench without opposition.

### CRIPPLE CREEK RATES.

Denver, April 2. There will be no railway war between roads leading into Cripple Creek. After conferences extending over many days, a compromise as to rates was agreed upon today. The tariffs of Cripple Creek roads will not be seriously reduced by the reduction of rates which will be announced this week.

### UNCONFIRMED REPORT.

London, April 3 The Morning Post publishes the following dispatch from Pao-ting-fu, dated March 31:

"Chinese officials here profess to have received information from Li Hung Chang that the Manchurian convention has been signed."

# THE NEWS OF CRIPPLE CREEK

## Site Has Been Selected for the Auditorium.

## HOLD-UP SHOT AT GILLETT

James A. Boylon, Paroled from Penitentiary Last November, Killed

Funeral of John Rand

Cripple Creek Bureau
Colorado Springs Gazette.

Cripple Creek, April 2.—Four lots at the corner of First street and East Masonic avenue were this afternoon selected by a committee from the city council as the trans-Mississippi Commercial Congress committee's site for the auditorium. The price to be paid for the ground is $1,800. The city council committee consisted of Aldermen Funk, McFeeley, McKee and Hanley, and Messrs. T. P. Aitheart and W. T. Booth, representing the committee. There were five locations submitted. The one selected is well situated and will be easily reached by the extensions from the different steam and electric railroads.

The trans-Mississippi Congress headquarters will be opened tomorrow in the new Mining Exchange building on Second street and Bennett avenue. H. N. Seigfried will be the secretary in charge. The auditorium to be erected will be built of brick and wood. It will have a seating capacity of 5,000 people and will cost, when completed, about $15,000.

### Hold-Up Killed

At Gillett early this morning two masked men armed with Winchesters made an unsuccessful attempt to hold up Kemp's saloon. The two hold-ups were forced to the street and in the exchange of shots fired one of the robbers, James A. Boylon, who was paroled from the state penitentiary on November 5 of last year, was shot through the left arm and right side and died at the hospital in this city this afternoon.

The hold-ups entered the saloon by the front door and with their Winchesters demanded that the bartender and the man in charge of the roulette wheel throw up their hands. While one of the desperadoes covered the bartender the other went behind the bar and took $50 from the cash register. Night Marshal H. McBath was in the saloon but managed to get out at the rear door where he immediately began firing his revolver to call assistance. The robbers hearing the firing became scared and fled up the street toward the hills, forgetting to take the bank roll of the roulette dealer. As soon as the robbers got into the street many citizens had heard the shooting and a street fight began with Winchesters and six-shooters. Many shots were fired and Marshal McBath had a narrow escape, a bullet just grazing the top of his head and cutting its way through his hair. At about the same time one of the robbers fell to the ground, shot through the intestines by the marshal. He was taken back to Gillett. The other holdup made his escape in the hills to and Cripple Creek. It is believed that he was injured, but a different search has failed to disclose his whereabouts. If he died in the hills his body has not yet been found. The relatives of the dead man are unknown. He is about 22 years of age, and has the letter "H" tattooed on his left wrist.

### Funeral of John Rand

Funeral services over the remains of John Rand will be held at 2 o'clock tomorrow afternoon at Elks hall. The services will be conducted by the Elks and G. A. R. local lodges.

The Edwin Booth G. M. and M. Co. today filed a deed transferring to Jacob F. Ridgway a one-half interest in the Hale and Holmes lode claim and a one-half interest in the April Fool lode for a consideration of $13,500. The deed was signed by William O. McFarlane, president of the Edwin Booth company.

Charles M. Sperry, Charles Stillman and W. R. Grier have purchased the control of the Cripple Creek District Abstract company from Larry Maroney. The young men are thoroughly posted in abstract work and will devote their entire attention to the business.

National hotel arrivals today were: E. V. Runyan, H. D. Gaskill, W. W. Goldsmith, Jake L. Hoffman, E. S. Strong, W. C. Green, L. L. Bradford and W. W. Houck, of Denver; W. P. Sargeant, N. Leipheimer, of Colorado Springs; Henry Kaufman, of Louisville; I. I. Einstein, T. J. Chapman and E. Henly, of New York; Charles Phillips, C. L. Cunningham, of Chicago; M. Rodgers, of Boulder and John T. Dale, of Omaha.

## NEWS FROM VICTOR

Victor Bureau
Colorado Springs Gazette.

Victor, April 2.—Joe Caffery returned this morning from a four months' visit to California. His wife will spend a few days in Denver before returning to Victor.

Paul J. Haas made sight in the postoffice, was called to Toledo, Ohio, on Sunday by the dangerous illness of his mother.

Frank Winkler, an expert machinist and lockmaker, came up from Denver yesterday to put in the fixtures for Victor's new city jail.

The new officers of the Elks lodge were installed last night with the peculiar and attractive ceremonies that are characteristic of the proceedings of this order. The session closed with a banquet.

M. R. Dwyer, a former telegraph operator for the Western Union in Victor during the big fire, returned yesterday to accept a position as bookkeeper for the Victor Supply company. Ed Ryan, the former bookkeeper, has gone to Denver to accept a position there.

## ELKTON

Special to the Gazette.

Elkton, April 2.—K. L. Polk returned to his home in Canon City this morning after a visit to Dr. Polk.

There was the usual large crowd at the weekly hop given at Elkton hall last night.

Mr. and Mrs. M. M. Walker have returned from a trip to Denver and Pueblo.

Sol Camp returned last night from Denver, where he went to see his wife, who is ill in that city.

J. D. Carlisle left today for Colorado Springs.

Joseph Harrahan will leave tomorrow for the Black hills, where he will engage in mining.

## NEW FLORENCE OIL COMPANY

Will Begin Operations in About Forty Days in the Southern Belt on Its Own Property

Special to the Gazette.

Florence, April 2.—The Keystone Oil company has been incubating for the past two weeks and was hatched today when the company was incorporated for $2,000,000, the stock to be non-assessable. The company, which is a purely local one, is said to have plenty of money and in a short time will begin drilling for oil 30 miles south and southeast of town on its own territory, consisting of 1,284 acres. The ground is all deeded and not a foot of it is leased as is usually the case in such instances. The officers for the first year are A. M. Smith, president; Reese Prosser, vice president; Owen Price, secretary, and Dave Mason, treasurer. These with W. P. Lloyd compose the board of directors.

The territory is in the very heart of the southern belt and producing oil wells are on adjoining territory. On one side alone there are five producers: the Rocky Mountain, Florence, Limited and Weaver oil companies are now operating nearby, and each struck oil a few days ago, the latest strike being a big producer by the Florence Oil company.

The same oil indications and same formations are said to exist on the Keystone property as on adjoining land where so many heavy producers have been found. A Colorado Springs company has made an offer on 50,000 shares of the stock. It is expected that operations will be commenced in about 40 days. It is the intention of the company to drill several wells and thus thoroughly develop the ground. The company is a good one and it looks as if it will be the beginning of one of the biggest oil booms that has been experienced since oil was discovered in 1885.

## ACCIDENT AT LEADVILLE

Special to the Gazette.

Leadville, April 2.—A fatal accident occurred late this afternoon at the Diamond shaft. Lee Davis, the shift boss, was working in the shaft when he slipped and fell a distance of 100 feet into the water. His body was not recovered until several hours later.

## BOSWELL INJURED

Superintendent of a California Mining Company May Die as Result of Accident at a Mine.

Los Angeles, Cal., April 2.—W. W. Boswell, superintendent of the Julian Consolidated Mining and Milling company, at Julian, San Diego county, has been probably fatally injured at the company's mines. Boswell was superintending the installation of a ten-stamp mill when a cable which supported some of the machinery broke. A piece of iron striking him on the head, crushed his skull and paralyzed his body from head to foot.

## DOES NOT AFFECT WINSLOW

Action of "George Washington of the Philippines" No Longer Concerns Boston Anti-Imperialists.

Boston, April 2.—Erving Winslow, secretary of the anti-imperialistic league, was informed that Aguinaldo had taken the oath of allegiance today. The secretary said he did not see how that affected the work of his organization.

"It does not concern us what attitude the Filipinos may take as much as it does what the United States may do. Our battle has not been fought for the Filipinos but for the constitutional liberty of America."

## GOVERNOR ALLEN RETURNING.

Puerto Rico Governor May Seek New Field of Service.

Washington, April 2.—While Governor Allen of Puerto Rico, who sailed yesterday from San Juan on the Mayflower for Hampton Roads, has not formally submitted his resignation, so far as can be learned, his friends here would not be surprised if he decided not to return to Puerto Rico. Governor Allen went to Puerto Rico in May last at the personal request of the president to set up the new civil government there and get it into good working order, with the distinct understanding that he was not to be asked to remain after this was done. The president and the secretary of war are full of praise of the way in which Governor Allen has accomplished his task. It is expected here that if Governor Allen declines to continue in office, Secretary Hunt, late of Montana, will succeed to the place. As to Governor Allen's future, his name is connected in official gossip with one of the foreign ministries, though as there are no present vacancies he might be obliged to wait for a time.

## STRIKE IN SCOTLAND.

London, April 2.—The dissatisfaction existing among the Lanarkshire miners and engineers, 30,000 of whom are idle owing to a strike for an eight-hour day, is having an adverse effect on the iron and steel works in Scotland. Some of the ironmasters have taken steps to damp down their furnaces tonight, and steelmakers will stop their mills. The railroads, enabled by the slackness of work, are sending engineers and shunters to some of the mines.

Some of the smaller collieries have granted the eight-hour day demanded by the strikers.

## HE DREADS KENTUCKY.

Portland, Ore., April 2.—In the United States district court today Judge Bellinger issued an order for the removal of J. D. Boblin to Kentucky where he is charged with forging pension claims. Boblin claims that the charge was trumped up by one of his political enemies and that if he is returned to Kentucky he will not receive justice.

## HARRY FORBES WON.

Memphis, Tenn., April 2.—In a slow contest before a good crowd at the Phoenix Athletic club tonight Harry Forbes, the Chicago boxer, gained a decision over Casper Leon, of New York in the fifteenth round, the latter's seconds throwing up the sponge.

## SMELTER COMBINE

Kansas City, April 2.—A. R. Meyer, a member of the executive committee of the American Smelting and Refining company, who returned from New York today said that the consolidation of the Guggenheim Bros. and the American company would probably be perfected within thirty days. The consolidated company would, he said, have a capital of one hundred million dollars.

"The effect of the consolidation," said Mr. Meyer, "will be greater profits for the stockholders, but not through the increase in the price of the product of the smelter. On the contrary we are reducing prices. Profits are to be made larger by extending the smelter business. We are not shutting down any smelters."

## CLAIMS AGAINST TURKEY

Final and Satisfactory Settlement is Said to Have Been Arranged by Mr. Griscom.

Washington, April 2.—There is reason to believe that Lloyd C. Griscom, secretary and in charge of the United States legation at Constantinople, who is now on his way home, has secured the credit of effecting a final and satisfactory settlement of the American missionary claims against Turkey that have taxed the abilities of no less than three of the ablest ministers ever sent by the United States to Constantinople.

It appears now that Mr. Griscom has finally succeeded in arranging with the Turkish government the principle upon which these long standing claims shall be settled, and that the pledge of the Turkish government is in such binding form that it is not doubted that payment will soon be made.

## LOPEZ' COMMENT

Announcement That Aguinaldo Has Taken the Oath He Says Is Very Important.

Boston, April 2.—Sixto Lopez was informed this afternoon that Aguinaldo had taken the oath of allegiance to the United States. Senor Lopez asked for the particulars. Upon being informed that only the bare facts had been cabled over he said:

"I think there must be conditions attached to it. The announcement that Aguinaldo has taken the oath is very important. You must give me time to think it over."

## RUSSIA TO JAPAN.

An Assurance that Manchuria Convention is Harmless. The Reply Regarded as unsatisfactory.

Yokohoma, April 3.—Leading Japanese newspapers assert that the Russian government has replied to Japan's protest against the Manchurian convention to the effect that Russia does not wish to enter upon a discussion with a third power relative to her negotiations with China; that the proposed agreement is purely temporary and not intended to impair the sovereignty of China or to injure the interests of other powers; that the contents of the agreement immediately upon its conclusion will be communicated to the other powers who will undoubtedly find them acceptable and finally, that if any of the provisions are not acceptable to Japan, Russia is prepared to discuss the matter in a friendly spirit.

London, April 3.—"Russia's reply to Japan's protest against the Manchurian convention," says the Yokohoma correspondent of the Daily Mail, "is regarded as unsatisfactory and further vigorous representations will follow.

"Prince Konoye Atsumaro, president of the house of peers, in the course of an inflammatory speech, openly discussed the probable results of a war between Japan and Russia and said that Japan could count on the friendly neutrality of Great Britain and Germany. He declared that the United States would not interfere and that France would only cause uneasiness by the employment of her Annamez forces and by a naval demonstration off Formosa. This, he predicted, would be the limit of French action, and therefore Japan's vastly superior army would be enabled without great difficulty to drive Russia out of Manchuria."

## CHINA'S MORAL SUPPORT.

Berlin, April 2.—Discussing the refusal of China to sign the Manchurian convention the Lokal Anzeiger says:

"China cannot expect more than the moral support of the European powers."

## SAN DIEGO REPUBLICAN.

San Diego, Cal., April 2.—The Republicans have elected their entire ticket with exception of city treasurer. Frank P. Frary, Republican, for mayor, will have 500 plurality over his Democratic opponent.

## APPOINTED RECEIVERS.

Cincinnati, April 2.—Judge Jackson today appointed Fletcher R. Williams and Alfred M. Cohen receivers of the Germania Debenture company of Cincinnati, fixing the bond at $100,000.

## Big Easter Trade

Easter shopping is beginning in earnest. We anticipate a big Easter trade. Don't put off buying till the last moment. You can do better now.

**New Easter Cards.**

We placed on sale yesterday two entirely new lots of Easter cards. They are "beauties." Dainty little chickens that stand upright at 5c. Choice book marks and booklets at 10c, 15c, 25c and up anything from 1c to $1.00 each.

And then we have books, and prayer-books, and prints and pictures most anything you want for Easter gifts.

FOLTZ & HARDY
6 So. Tejon Street.

## "She Let Concealment Like a Worm i' the Bud Feed on Her Damask Cheek."

How aptly Shakespeare touches the dominant chord in a woman's nature. She suffers in silence; draws a curtain over her private sorrows and endures until endurance ceases to be a virtue. This is especially the case with the modest-minded women who suffer from diseases peculiar to the sex. They are miserable and unhappy, and yet, although they know they need medical aid and assistance, they choose rather to bear the ills they know than to

submit to the examination of some local physician. For this reason many a woman lets disease fasten upon her, she conceals her condition and endures a daily martyrdom of pain because her mind revolts at the thought of submission to the treatment she knows the local practitioner will insist upon.

Very many women have written grateful letters to Dr. R. V. Pierce, of Buffalo, N. Y., because they have found in his methods an escape from the offensive questions, the obnoxious examinations, and the disagreeable local treatments insisted upon by so many home physicians. These things are, as a rule, not necessary. Dr. Pierce's experience and success in treating hundreds of thousands of women and enables him at once to determine from the written statements of women the form of disease which it is necessary to treat. Sick women are invited to consult Dr. Pierce, by letter, free. All correspondence is sacredly confidential and the same strict professional privacy guards the written confidences of women as is observed by Dr. Pierce and his staff in personal consultations with women at the Invalids' Hotel and Surgical Institute, Buffalo, N. Y.

### A WOMAN'S STATEMENT.

"I enjoy good health, thanks to Dr. Pierce's Favorite Prescription and 'Golden Medical Discovery,' writes Mrs. J. J. Schnetyer, of Pontiac, Livingston Co., Ill. "Have taken six bottles of each kind. I was taken sick last February and the doctors here called 'Grip.' I lay for four weeks in bed, then when I got up I found I had 'Displacement.' Had such aches and pains in my back and limbs could not stand any length of time. I knew that our home doctor would insist the first thing on an examination, and that I would not submit to, unless I was dangerously sick, and then it would be too late to do any good. My son had your book, Common Sense Medical Adviser, and I thought from reading it that Dr. Pierce's medicine would do me more good than all the home doctors and so it has. If anyone had told me it would do me so much good I would have said, 'Oh, no, not that much good.' I can truly say that I was surprised at the benefit I received. I can do all my washing and also tend my flower garden. In fact, I am on my feet most all the time. An old friend of mine said to me, 'my, what's the matter with you? You are getting young again.' I told her I had taken six bottles of Dr. Pierce's medicines, and if she would do likewise she would feel 10 years younger, too."

However wonderful it may seem that Doctor Pierce's Favorite Prescription is uniformly successful in curing diseases peculiar to women, it is not so wonderful as it appears. It is not wonderful to us that a machine made to perform a certain task accomplishes it perfectly. We do not wonder of the engine which pulls the train of cars, although we know nothing of mechanics. We know the engine was made to do this thing. We do not wonder at a musical artist like Paderewski who sits at the instrument and produces perfect harmony. We know that constant practice enables his perfect command of the key-board. Let an inexperienced player sit down at the piano, and the ebony keys falsely touched jar into discord. It is so with Dr. Pierce in his experience and practice of medicine. "Favorite Prescription" only does what it was made to do. Dr. Pierce knows the whole gamut of the female organism. Where a less experienced practitioner produces a discord, his experience and skill enable the production of perfect harmony. The difference between the success of Dr. Pierce and the ordinary practitioner in the treatment and cure of womanly ailments is the difference between skill and success on the one hand and a casual experience on the other.

### GAINED TEN POUNDS.

"I took four bottles of Dr. Pierce's Favorite Prescription and two of his 'Golden Medical Discovery' and received great benefit," writes Mrs. Elmer D. Sheare, of Mounthope, Lancaster Co., Pa. "I do not have those sick spells as formerly. Before I took your medicine I could hardly walk at times, when I had uterine trouble. I can truly say that after taking four bottles of 'Favorite Prescription' and two of 'Golden Medical Discovery' I did not suffer any more. I gained 10 pounds in weight. In June I commenced using the medicine and in July helped to harvest the wheat, so you may know that I did not feel very bad."

Doctor Pierce's Favorite Prescription establishes regularity, dries disagreeable drains, heals inflammation and ulceration and cures female weakness. It tranquilizes the nerves, encourages the appetite, and induces refreshing sleep. As a tonic for weak, worn-out, run-down women it is unequaled. It makes weak women strong, sick women well.

Accept no substitute for "Favorite Prescription." The only motive for substitution is to enable the dealer to make a little more profit, paid on the sale of less meritorious medicines.

### GIVEN AWAY.

The Common Sense Medical Adviser referred to in Mrs. Schnetyer's letter is sent free on receipt of stamps to pay expense of mailing only. This great medical work contains over a thousand large pages and more than seven hundred illustrations. Send 31 one-cent stamps for the cloth-bound volume, or only 21 stamps for the book in paper covers. Address Dr. R. V. Pierce, Buffalo, N. Y.

## CLOSING FORMALITIES IN THE GENERAL ASSEMBLY

Special to the Gazette.

Denver, April 2.—The one question of interest around the capitol is "Is the revenue bill legal?" Those who are friendly to the measure contend that so long as the clocks did not show that the hour of midnight had arrived the proceedings were legal. Others, however, contend that the bill should have been enacted before the hour of midnight had arrived. It was signed by Lieutenant Governor Coates at exactly 17 minutes before 5 this morning. His signing is was the last act performed before it was sent to the governor. Nearly three hours were occupied in the completion of the bill after the conference committee had reported. The amendment had to be read and concurred in by both houses. One word was wrong in the amendment submitted to the senate, thus necessitating the use of an entire roll of red tape before it was corrected.

After the house had disposed of the bill a love feast was held during which time all past differences were forgotten and the utmost feeling of good will and friendship prevailed. Speaker Montgomery delivered a closing address to the members, thanking them for their past favors and expressing the hope that from now on all past strifes would die with the session and nothing but the good remain. His ideas were echoed in similar addresses by Messrs. Lubers, Bell, McLean, Gorman, Twombly, Hammond, Adams, Riley and Rawalt.

Reading Clerk Edwards thanked the members for all the consideration shown to the employes and expressed in a jocular way the thought that he was very thankful that the long speeches and hot air had not resulted fatally. Mr. Blake, representing the News, and Mr. Swain, representing the Gazette, expressed gratitude for the many considerations shown the press representatives of both parties.

A vote of thanks was tendered the speaker for his fair and just treatment and at 4:26 a. m. he declared the house of representatives of the Thirteenth general assembly adjourned sine die.

While the senate was waiting for the house to send the revenue bill to them their time was occupied in speech-making and giving presents. One of the handsomest presents given was presented to Senator Ammons and was a pair of hand-carved leather saddle-bags. They were given by admiring fellow senators. The senate then went into executive session and confirmed the governor's nominations. After that they completed the revenue bill read and approved the journal and at 5:45 Lieutenant Governor Coates declared that body adjourned sine die.

## VALET JONES CONFESSED THE MURDER OF RICE

New York, April 2.—Without the slightest quavering in his voice and displaying no outward sign of regret or remorse Charles F. Jones, secretary and valet to the late William Marsh Rice today confessed under oath that he had ended the life of his employer and benefactor with chloroform.

The confession was the climax of a remarkable recital in which was laid bare the details of an alleged subtle conspiracy which had for its object the seizure of three million dollars in cash and negotiable securities and the appropriation of three millions in realty to the uses of the alleged chief conspirator.

The self-confessed murderer told the story of the alleged plot from its inception. The capital crime he committed and all the minor offenses that preceded it were, he declared, at the instigation and direction of Albert T. Patrick. It was Patrick, he said, who conceived the idea of forging a will and forging transfers and conveyances. It was Patrick who induced two persons to witness the forged signature. It was Patrick who determined that Rice should die, and it was Patrick who sought to have him killed slowly, and then becoming impatient determined upon quick action, and, according to Jones, remarkable as it may seem, Rice never knew Patrick during his lifetime and never saw him but once.

Jones looked straight into the eyes of Assistant District Attorney Osborne and told his story without a break. Without a tremor, in his voice he described his approach to Rice's bed with the chloroform-saturated napkin in his hand, of placing it over the face of the sleeping man of the night from the room, of the weary wait of 30 minutes in accordance with Patrick's alleged instructions. At the expiration of the half hour he returned and found Rice dead. He then threw open the windows to free the room of the odor of chloroform, telephoned to Patrick that Rice was dead, sent for a physician and then, after expressing his grief at the loss of his kind and generous employer, he said he went to bed and fell into a sound sleep.

Patrick accused to the witness of being the arch-criminal listened to the witness with attention and occasionally made notes of the testimony. Not even the remarkable witness on the stand was more cool, calm and collected. I mean this remarkable prisoner. Patrick's hand was firm and steady. He displayed neither anger, fear nor resentment. When Jones reached the description of the murder of the aged man Patrick merely stroked his beard and leaned back in his chair, apparently slightly bored by the recital of the details.

Court closed with Jones still on the stand. Patrick's medicine chest was seized today at his late lodgings and is now in the keeping of the district attorney.

A big sale on Easter tailor-made suits. Kauffmann's.

## $1.50 AT TAILOR

Clothes for Easter. If you desire a new suit or pair of trousers for Easter, you should make your selection at once, and thereby save disappointment. Every thing new and up-to-date, and Rogers, Peet & Co.'s make.

Business Suits, $7.50 to $25.00
Semi-dress Suits, $12.00 to $35.00
Dress Suits, $25.00 to $50.00

A. H. WHALL & CO.,
18 and 20 South Tejon
Phone 369

## Closing Out Our Suits, Skirts, and Jackets At Cost!

So we can do a tailoring business hereafter.

It's not often you get goods at actual cost. But you can here because we don't propose handling them hereafter as now.

**Monday Sales were large. Tuesday's were larger.**

Because people had begun to talk about the prices.

Every single Suit, Skirt and Jacket is yours for its cost to us.

**New, Stylish, Well Made Garments,**

Hundreds of them just received and put on exhibition. All the new goods for this Spring and Summer are in the sale.

**No Reserve, No Quibbling, No Trouble to Show.**

We're pretty busy, but never to busy to be good natured.

**Come get what you need at cost, then tell your neighbors about it.**

The sooner you get here the greater the number to select from.

Compare Goods and Prices everywhere so as to test the sincerity of our claims.

## EVERY REPUBLICAN ELECTED

(Continued from Page 1.)

people generally favored the franchise and bond issues. There were 166 straight tickets voted and 109 were scratched. Of the straight tickets, 96 were Republican, 69 were Democratic, and 1 Socialist. The Prohibition voters in 37 all scratched. Votes on the issues open to taxpayers were as follows: For the street railway franchise, 44 voters believed the idea is good and no one voted nay; city hall bonds, 54 for 8 against; sewer extension, 24 affirmative, 2 negative; new sewer bonds, 23 aye, 3 nay; bridge and viaduct bonds, 25 votes in favor, 2 against. The race between R. H. Ashworth, Republican, and F. M. Keeth, Democrat, was the feature of the election in 57. It was a neck to neck event, both candidates pulling a big vote. Ashworth won out by a plurality of one vote, the final count being 128 votes for Ashworth, 127 for Keeth.

Precinct thirty-eight. This is a new precinct, having been created on the partition of the old thirty-seven. Out of 437 registered voters, a total number of 310, or about 70 per cent, took sufficient interest in issues of the election to come out. The greater percentage of the voting was done after 5 o'clock, and a big vote came in toward 6 p. m. Of the 310 votes cast, 168 were straight tickets: 168 Republican, 6 Prohibition and 65 Democratic. There were 22 votes in favor of the street railway franchise and three negative ballots. For the sewer extension bonds 48, none nay; for the city hall bonds, 49 affirmative, 1 negative; for the bridge bonds 48 ballots and no dissenting vote was cast. The election was pulled off something on the order of a five o'clock tea, as a ladies' missionary meeting facetiously remarked. The only unpleasantness was between the carriage and vote pulling committees; there were hitches, both on the Republican and Democratic sides, in getting enough carriages. However, the election in thirty-eight was a tranquil affair and very satisfactory.

Precinct thirty-nine. In precinct thirty-nine the vote polled was fairly heavy, the indications all day being that the Republican ticket would carry the precinct. The majority of the votes cast were straight ballots, some scratching being done toward evening. At 6 p. m. the vote polled was 287. The property owners did not seem to take much interest in the ordinances, but nearly all the votes cast were in favor of them. It seems that in this precinct a large number of the property owners had failed to pay taxes and consequently were unable to vote.

Precinct forty. The total vote polled in this precinct about an hour before closing was only 319. It was generally conceded that the Republicans would win out, but it was nip and tuck between the Democratic and Republican candidates for mayor. The vote on the ordinances, while light, seemed, with few exceptions, to be in their favor.

Precinct forty-one started in well, voting 50 persons during the first hour of the election. It was one of the few precincts of the city where voting was heavy at the start. There was considerable interest in the side issues in this precinct, little opposition to any of the propositions, however, developed.

At precinct forty-two conditions were normal. The feature of the day here was the magnificent strength shown by Mr. Patton.

Precincts forty-three and forty-four, voting at the Mountain View hotel and on Sinton hill, respectively, were formerly one precinct. The redistricting of the city divided the precinct into two, however, and the result was apparent yesterday. The vote on Sinton hill was manifestly strong for Sinton, this being his home precinct. His majority in this precinct could not offset the west side of Shook's run, however, and he was defeated.

Precinct forty-five. The vote in this precinct, based on the total registration, was extremely light, and in the opinion of the judges the lightest ever cast. The entire vote up till a couple of hours before the polls closed was 147, and this in spite of the hustling done by the numerous carriages.

The day passed without incident, and but little interest was taken in the ordinances left to the suffrage of the people. Up till 2 p. m. the vote seemed to be in favor of the Democratic candidate for mayor, but later it was admittedly an even break between the two. In the forenoon almost all the ballots cast were straight; but in the afternoon there seemed to be considerable scratching.

The fourth ward was interesting throughout the day. There was more scratching in this ward than in any other, the scratching being decidedly in favor of Jones and in favor of Stark. Precinct forty-five, which was the first precinct in the city to be heard from with returns, was one of the few Jones precincts in the city. It was believed at 5 o'clock by Republican workers, that this precinct was going to turn in a majority for Robinson, he being considerably in the lead at that hour. The last two hours of the election, however, brought in so many Jones votes that he came out with a majority of 29. At forty-six, the St. James hotel, which is the home precinct of both Mr. Stark and Mr. Phillips, there was a lively contest all day. It was a hard precinct to forecast, there being a vast amount of scratching, but the returns indicate that Jones and Stark were the winners by this situation.

# Cuticura

RESOLVENT

THE SET 1.25

Consisting of CUTICURA SOAP, to cleanse the skin, CUTICURA OINTMENT, to heal the skin, and CUTICURA RESOLVENT, to cool the blood, is often sufficient to cure the most torturing, disfiguring skin, scalp, and blood humors, rashes, itchings, and irritations, with loss of hair, when the best physicians, and all other remedies fail.

**Millions of Women Use Cuticura Soap**

Assisted by CUTICURA OINTMENT, for preserving, purifying and beautifying the skin, for cleansing the scalp of crusts, scales and dandruff and the stopping of falling hair, for softening, whitening and soothing red, rough and sore hands, in the form of baths for annoying irritations, inflammations and chafings, or too free or offensive perspiration, in the form of washes for ulcerative weaknesses, and for many sanative antiseptic purposes which readily suggest themselves to women, and especially mothers, and for all the purposes of the toilet, bath and nursery. No amount of persuasion can induce those who have once used it to use any other, especially for preserving and purifying the skin, scalp, and hair of infants and children. CUTICURA SOAP combines delicate emollient properties derived from CUTICURA, the great skin cure, with the purest of cleansing ingredients and the most refreshing of flower odors. No other *medicated* soap ever compounded is to be compared with it for preserving, purifying and beautifying the skin, scalp, hair, and hands. No other foreign or domestic *toilet* soap, however expensive, is to be compared with it for all the purposes of the toilet, bath and nursery. Thus it combines in ONE SOAP at ONE PRICE, twenty-five cents, the BEST skin and complexion soap and the BEST toilet and baby soap in the world. Sold throughout the world.

## A BOOT AND A SHOE

A boot on one foot and a shoe on the other do not suit for dress apparel. A physician who treats Chronic Disease only is worthless for family practice. A physician in general practice is at sea when a Chronic case is to be treated. Dr. Ellison treats Consumption, Asthma, Catarrh, Bronchitis and Chronic Diseases of Men, Women and Children. He devotes all of his professional time to specialty treatment and has been doing so for over ten years. Consultation and examination free to all at his office every day.

When a man is concentrating his undivided attention upon the thing with which he is engaged he can render to those he serves and himself results which reach the nearest possible degree of perfection. Every man with ambition likes to succeed and should desire and diligently seek to excel. Dr. Ellison's conception of success and the best way to achieve it is that it is better to devote one's entire time and energies to learning a few things well than to scatter the same amount of work over a more extensive field of effort. He has been learning how to cure chronic diseases for the past 10 years. In fact, he is learning every day in a better and more effective way how to treat consumption, asthma, catarrh, bronchitis, and chronic diseases of men, women and children. Every day presents new thoughts and ideas of the most successful methods by which these diseases can be treated. The doctor is just as diligent in the study of his specialty as he was 10 years ago, and all who suffer from seated diseases can employ him with a reasonable expectation that they will secure desired results. People who decide to treat with him for the diseases he treats as a specialty have reached an intelligent conclusion and they can investigate his treatment and have their cases examined free of cost. If you cannot come to his office, write. The treatment can be taken at your home. Office, 24 North Tejon street (over Craigue's grocery store). Office hours: Mornings, from 9 to 12; afternoons, from 2 to 5; evenings, from 7 to 8; Sundays, from 2 to 3 p. m.

## DR. ELLISON'S SULPHUR COUGH CURE

This remedy has long been used by the doctor in his practice for the cough incident to consumption, asthma, bronchitis, croup, diphtheria, coughs, colds, hoarseness, loss of voice, sore throat, whooping cough, influenza, etc. It will not dry up a cough or cold, but aids nature in throwing off the poisonous mucus produced from diseased lungs or a cold, heals the membrane and restores nature to a healthy condition. It is prompt in its action and absolutely harmless. There is no morphine, opium, heroine or injurious drug in its composition. In croup, whooping cough and diphtheria it liquifies the tough, tenacious mucus and aids its expulsion from the system. Price 50 cents a bottle at the office, 24 North Tejon street (over Craigue's grocery store.)

## PUEBLO

Special to the Gazette.

Pueblo, April 3.—1 a. m.—Pueblo has gone Democratic by a very large majority. George West is elected over his opponent, T. J. Dowen, by a plurality that will exceed 600. W. L. Smith, Dem., is elected clerk over Oscar Q. McNeil by nearly 500. M. J. Galligan, Dem., is elected attorney over J. A. Park by fully 600. William Peach, Dem., candidate for engineer, has a plurality over R. S. Fuller by a plurality of 1149. W. D. Latshaw has defeated T. C. Rouen for auditor by an overwhelming plurality which will exceed 1,257. The city treasurership is still in some doubt at this hour. Mrs. Frank Ream, leading her Democratic opponent, Brooks Eskridge, by two or three votes. The figures given here will be changed before daylight as there are a few precincts to be heard from, but any change will probably be an increase in the Democratic pluralities.

All but two of the Democratic candidates for aldermen are elected. In the first ward J. Will Johnson has beaten J. D. Miller, the Democrat, by fully 75 majority; in the second ward W. R. Hamlin has beaten Ben Donahue, Rep., by over 110; T. P. Lloyd, Dem., is elected over R. J. Roberts, Rep., by over 300 majority; Alex Campbell, Dem., has beaten E. H. Keith, Rep., in the fourth ward by a substantial plurality; Thomas Flynn, Dem., is elected in the fifth ward by a plurality exceeding 166; A. B. Gutshall, Dem., is elected in the sixth ward over James Fitzpatrick, Rep., by nearly 200. E. F. Price, Rep., has been defeated in the seventh ward by Frank Vance, Dem., by nearly 300; E. E. Bennett, Rep., has defeated J. M. Murtha, Dem., in the eighth ward. The vote was rather light considering the good weather. The Prohibition and Socialist Labor parties polled a very small vote.

1.30 a. m.—The election of Brooks Eskridge over Mrs. Ream as treasurer, is beyond doubt, but his majority is probably the smallest on the ticket.

### RAND MINING.

Cape Town, April 2.—Lord Kitchener has granted permission to three mining companies which will later be increased to seven, to resume work with fifty stamps each, provided the maximum wages paid the miners be rations and five shillings a day, equal to the wages of the irregular troops, to prevent discontent among the latter. The remainder of the regular ordinary pay will be deposited to a fund for the benefit of the families of residents of the Rand killed in the war. The Transvaal chamber of mines has issued a circular objecting to these wages and the conditions of work.

## A KILLING IN DENVER

### J. T. Diber Dead and A. T. Rice Fatally Injured as Result of a Quarrel Over Politics.

Denver, April 3.—J. T. Diber was instantly killed and A. T. Rice fatally injured on May Rogers by a fight at Cleveland Park, said to have originated in a dispute over politics. Rogers used a Winchester rifle. The men were all horsemen connected with the Cleveland Park track.

## A BOER PROTEST.

New Orleans, April 2.—Proceedings were brought in the United States court here today by representatives of the Boers to prevent the sailing of the steamship Anglo Australian, loaded with mules consigned to the British in south Africa. Judge Parlange after reading the petition issued an order requiring the defendants to show cause on April 6 why a preliminary injunction should not be granted.

The suit is brought by Samuel Pearson, a citizen of the South African Republic, residing at Barberton; Edward Van Ness, a citizen of New York, and Charles D. Pierce, consul general of the Orange Free State, and is against Captain Parson of the steamer, Elder, Dempster & Co., owners of the steamer, and Robert and Matthew Warriner, who represent Elder, Dempster & Co. here.

The petition sets forth that the United States and its people are at peace with the South African Republic and the Orange Free State and their citizens; that Great Britain is at war with these republics, seeking to destroy the property rights and credits of the petitioners; that for the purpose of carrying on this war the Anglo-Australian is now loading at this port with munitions of war, namely, mules and horses to the number of 1,200, and to the value of $150,000; that the steamer is employed in the military service of the king of Great Britain; that for some time defendants have been forwarding from this port such munitions of war, knowing that these munitions and the ship were in the military service of Great Britain and that they were to be used against the people of the South African Republic and the Orange Free State; that defendants are making use of New Orleans as a basis of the military operations of Great Britain of its war in South Africa and to augment its military supplies and arms; that by the use of these munitions the armies of Great Britain are laying waste and destroying the farms and homes of petitioners and holding as prisoners of war the wife and children of one of the petitioners, Samuel Pearson; that Samuel Pearson has already suffered the destruction and loss of property to the value of $90,000 and is threatened with the loss of $150,000 more; and finally, that the war can be carried on by Great Britain only through the renewal of its military supplies from this port, and that when these supplies cease the war must end. In consideration of these statements, an injunction is asked to prohibit the shipment of military supplies out of this port. A temporary injunction is asked in the meantime.

The Anglo-Australian was expected to sail today but the effect of the order issued by Judge Parlange will be to detain her until the hearing on Saturday. General Pearson has been in the city for several days arranging to bring the suit.

### PRINCE LOUIS NAPOLEON.

Paris, April 2.—It is announced that Prince Louis Napoleon has arrived in Paris on a visit.

Le Courier du Soir, the ministerial organ, which gives him warning to abstain from scheming against the republic, says:

"This Russian general is little troubled by his military duties judging from the recent frequency of his visits to Paris. We must be prepared for a resumption of the secret meetings at the house of his aunt, Princess Mathilde, which is frequented by nationalist agitators. We hope, for the sake of the tranquillity of the country, no incident will occur which would oblige the government to treat the prince as he deserves, namely as pretender."

### VON BUELOW IN ITALY.

Verona, Italy, April 2.—Count von Buelow was met here this afternoon by Giusseppe Zanardelli. The German chancellor went to the carriage of the premier which was sitting at the railway station and a short interview ensued between the two statesmen. On separating they shook hands several times. Count von Buelow returned to Venice and Signor Zanardelli to Modena.

### KING EDWARD'S PORTRAIT.

London, April 2—Luke Fildes has been commanded to paint a full length state portrait of King Edward in his royal robes. It will be the official portrait.

### EARL LI RETURNING.

Tien-tsin, April 2—Li Hung Chang, with his body guard, is returning to Shang-hai. He is indisposed. Steamers are detained at his disposal and he is expected to arrive here Thursday.

A company of Germans defeated 1,000 Chinese robbers March 31, seven miles north of Tien-tsin, killing 11 and wounding 50. It is reported that a dozen foreigners were co-operating with the robbers. The Germans captured 30 carts and a gun.

### SERVIAN CABINET.

Belgrade, April 2—The cabinet of Yovanovitch, which was reconstructed in February after the death of ex-King Milan, has resigned and M. Wuics, who became minister of foreign affairs at the time of the reconstruction has been intrusted by King Alexander with the formation of a new ministry.

### California Limited Train Daily.

(Santa Fe Route.)

The Santa Fe California Limited train now runs daily and leaves Colorado Springs at 11 a. m. Two other daily California trains are also run carrying Pullman Palace and Tourist sleepers and chair cars. Passengers for this train may leave Colorado Springs at 10:20 p. m. or at 6:00 a. m. Full particulars at Santa Fe City ticket office. C. C. Hoyt, City Passenger Agt.

# AGUINALDO HAS TAKEN THE OATH

## Filipino Chief Has Sworn Allegiance to United States---His Action Expected to Have Wide Effect.

Washington, April 2.—Secretary Root has just made public the following cablegram received at the war department this morning at 8 o'clock.

"Manila, April 2.—Adjutant General Washington: Since arrival at Manila Aguinaldo has been at Malacanan investigating conditions in archipelago. He has relied almost entirely upon the instructions of Chief Justice Arellano. As a result today he publicly and swore to the declaration on page 11 of my annual report.

"MacArthur."

The oath referred to is as follows.

"I hereby renounce all allegiance to any and all so-called revolutionary governments in the Philippine islands and recognize and accept the supreme authority of the United States of America herein; I do solemnly swear that I will bear true faith and allegiance to that government; that I will at all times conduct myself as a faithful and law abiding citizen of the said islands, and will not, either directly or indirectly, hold correspondence with or give intelligence to an enemy of the United States, nor will I abet, harbor or protect such enemy; that I impose upon myself these voluntary obligations without any mental reservations or purpose of evasion, so help me God."

"Aguinaldo's taking the oath of allegiance," said one member of the cabinet today, "emphasizes the importance of his capture. It makes more clear that the insurrection has about reached its end and foreshadows the early and complete general acceptance of United States sovereignty and authority. Only a comparatively small number of Filipinos are still in arms and the effect of Aguinaldo's action on them is obvious. From now on we will press organization of the best government we can establish suited to the needs of the Philippines. Aguinaldo's submission will have a considerable bearing in his favor in the determination of the matter of what to do with him, which will not be decided for some time."

### TEXAS RESOLUTIONS.

Chicago, April 2—A special from Austin, Texas, to the News, says:

The house of reperesentatives today referred to the committee on federal relations a resolution introduced by Mr. Phillips condemning General Funston and the government military authorities for the capture of Aguinaldo and characterizing Aguinaldo as the George Washington of the Philippines.

A substitute resolution praising Gen. Funston for his bravery and congratulating him upon the success of his expedition was ruled out of order.

## GOOD RESULTS EXPECTED FROM AGUINALDO'S ACTION

Washington, April 2.—The war department today received information from General MacArthur that Aguinaldo had taken the oath of allegiance to the United States under the terms of amnesty offered by General MacArthur by direction of the president.

The dispatch conveying this information contained much more than was given to the public. The portion withheld related to the future disposition of Aguinaldo and made suggestions as to what the late chief of the insurrection might accomplish. No official statement could be obtained as to what finally would be done with the prisoner but it was emphatically stated that he would be held for the present but would be granted all possible immunity consistent with existing conditions.

General MacArthur has hopes that a great deal may be accomplished through Aguinaldo. During the time he has been a prisoner he has made quite a favorable impression upon General MacArthur.

**His Future Treatment.**

It has been suggested that under the terms of the notice of amnesty the prisoner should be set at liberty at once but there is a provision in the amnesty proclamation which says that those who have violated the laws of war are excepted from its terms. Whether or not General MacArthur has satisfied himself that Aguinaldo has not violated the law cannot be stated as the prisoner would be permitted to take the oath pending an investigation of his past conduct. Aguinaldo, having been the head of the insurrection, undoubtedly can be held until further investigation is made or until the circumstances which surround the situation in the Philippines make it advisable to release him outright or otherwise dispose of him. These conditions and the general situation and Aguinaldo's relation to them were the subject of General MacArthur's dispatch and are being considered by the authorities here who will have the final disposition of the matter.

**Good Results Expected.**

The news of Aguinaldo's action was received with evident satisfaction by the war department and the opinion was expressed that good results would follow among those who have been still holding out against the United States.

The taking of the oath in itself is regarded as giving Aguinaldo a status of loyalty to the United States quite different from those still in arms. The department's instructions for the government of armies in the field recites as follows:

"The comander will throw the burden of war as much as lies within his power on the disloyal citizens of the revolted portion or province, and if he deems it appropriate, or if his government demands of him that every citizen shall by an oath of allegiance declare his fidelity to the legitimate government, he may expel, transfer, imprison or fine the revolting citizens who refuse to take the oath, etc.

"Whether it is expedient to do so, and whether reliance can be placed upon such an oath the commander or his government has the right to decide."

In the present case General MacArthur has considered it expedient to have Aguinaldo take this oath and apparently has held that reliance can be placed upon the oath. The army regulations made no distinct provision that the taking of the oath shall give complete liberty to a person; although the above quoted provision shows that those manifesting loyalty by subscribing to an oath of allegiance are to be spared from the hardships of war and that only those remaining disloyal are to be visited with the harsh treatment of war.

**Exceptions to Amnesty.**

The war department authorities say that offenses against the articles of war excepted in the proclamation of amnesty, refer to murders and like depredations. Only recently five Filipino officers were executed for such offenses. It is not known here whether Aguinaldo was responsible in any case for such offenses, though from the fact that General MacArthur allowed him to take the oath of allegiance, it is assumed that the commanding general does not hold Aguinaldo to be chargeable with a violation of the articles of war. It is believed that General MacArthur will keep the ex-leader under his eye and avail himself of the good offices of Aguinaldo in loyalizing the remnant of the insurgent forces.

**Reducing Naval Force.**

Should the capture and submission of the Filipino chieftain mark the beginning of the end in the Philippines it is added, the effect upon the American naval representation in Asiatic waters will be a very considerable reduction of our naval force in the far east. There are at present 57 of our naval vessels on the Asiatic station a greater number than ever before has been mobilized here and including some of the finest battleships, cruisers and ironclads in the American navy. A good many of them will now be sent home. It is possible that the European station with headquarters in the Mediterranean, will be revived and also that the re-creation of the old South Pacific station will follow. There has been a marked shortage of officers to fill important assignments in this country owing to the drain that came from China and the Philippines so that the home coming of so many of the vessels will be welcomed. The Oregon and New York, both of which have been in service in the east for a great while past, already are setting sail for the United States where they will be completely overhauled and repaired. Other big vessels on the station are the Brooklyn, Admiral Remey's flagship, the battleship Kentucky, which however has arrived just recently on the station and therefore is not likely to become of the vessels to return, and the protected cruisers New Orleans and Albany.

## ARRANGEMENTS FOR RIO GRANDE CONSOLIDATION

New York, April 2.—A special meeting of the stockholders of the Denver and Rio Grande railroad company has been called for May 15, in Denver, to vote, first, on the purchase of the Rio Grande Western railway by acquiring the common and preferred stocks of that company; second, upon canceling the Denver and Rio Grande stock now in the treasury; $4,350,000 preferred and $7,500,000 common, and thereupon increasing the preferred stock from $22,650,000 to $44,400,000 to acquire the Rio Grand Western; third, to decide whether the directors may, by a two-thirds vote of their entire number, have the power to revoke or amend by-laws. The transfer books will close April 15 and re-open May 16.

Subject to the authorization of the increase proposed, $12,500,000 of the new preferred stock will be offered to the company's stockholders at 90c. Holders of common or preferred stock of record April 15 may subscribe for the new preferred stock at 90c to the extent of one share of the new preferred for every five shares, common or preferred, of their present holdings.

Spencer, Trask and Co., bankers, have issued a circular saying that acting in behalf of the holders of more than 90 per cent of the common stock of the Rio Grande Western railroad, they have negotiated with representatives of the Denver and Rio Grande Railroad company, the sale of such common stock together with allied securities and properties. They offer to include in their sale such common stock as may be deposited with them on or before April 30, the price alloted to the common stock by the vendors being 80 per cent net, with 4 per cent interest from January 1, such amount being reached after deducting a commission of $5 per share. The preferred stockholders are to be offered the right to exchange ten shares of the Rio Grande Western preferred for 11 shares of Denver and Rio Grande preferred, the same being subject to ratification by the stockholders of the Denver and Rio Grande railroad company.

### COMMISSIONER OF PENSIONS.

Topeka, Kan., April 2.—It is generally conceded among Republicans here that Col. R. W. Blue, ex-congressman at large, will be the next commissioner of pensions in place of H. Clay Evans.

Congressman Curtis, who returned yesterday from Washington, said today that the choice was between Colonel Blue and State Senator Carpenter. President McKinley has agreed to appoint the commissioner from names submitted by the Kansas delegation and the names of Blue and Carpenter are the only ones being considered.

Congressman Curtis says that H. Clay Evans will probably be made minister to Japan.

**Santa Fe Route.**

Trains to Denver leave Colo. Springs:

4:40 a. m.
5:50 a. m.
7:25 a. m.
8:00 a. m.
10:35 a. m.
11:50 a. m.
3:40 p. m.
6:20 p. m.

An equal number of trains leave Denver, returning at convenient hours.

**No Change to Los Angeles**

Or San Francisco if you take the new Pullman tourist car which leaves at 11:05 a. m. every Wednesday and Thursday via the Colorado Midland railway. A double berth through to destination in this car is only $4.50. Apply for reservations and tickets at city ticket office, 13 North Tejon street.

**3 Through Trains Daily 3**

To Pacific coast over Rio Grande R. R. Office, 16 North Tejon street.

**$25 to California and Through Sleeper.**

The Santa Fe sells tickets to California at $25, every Tuesday until April 30, inclusive, and a through tourist sleeper leaves Colorado Springs at 10:20 p. m. Berths may be secured at the Santa Fe City Ticket Office.

# Do You Get Up With a Lame Back?

## Do You Have Rheumatism? Have You Bladder or Uric Acid Trouble?

**To Prove what SWAMP-ROOT, the Great Kidney and Bladder Remedy, will do for YOU, all our Readers May Have a Sample Bottle Sent Free by Mail.**

Pain or dull ache in the back is unmistakable evidence of kidney trouble. It is Nature's timely warning to show you that the track of health is not clear.

If these danger signals are unheeded, more serious results are sure to follow. Bright's disease, which is the worst form of kidney trouble, may steal upon you.

The mild and the extraordinary effect of the world-famous kidney and bladder remedy, Swamp-Root, is soon realized. It stands the highest for its wonderful cures of the most distressing cases. A trial will convince anyone, and you may have a sample bottle for the asking.

Lame back is only one symptom of kidney trouble one of many. Other symptoms showing that you need Swamp-Root are, obliged to pass water often during the day and to get up many times at night, catarrh of the bladder, uric acid, constant headache, dizziness, sleeplessness, nervousness, irregular heart, heating, rheumatism, bloating, irritability, worn out feeling, lack of ambition, loss of flesh, sallow complexion.

If your water, when allowed to remain undisturbed in a glass or bottle for twenty-four hours, forms a sediment or settling, or has a cloudy appearance, it is evidence that your kidneys and bladder need immediate attention.

In taking Swamp-Root you afford natural help to Nature, for Swamp-Root is the most perfect healer and gentle aid to the kidneys that is known to medical science.

Swamp-Root is the great discovery of Dr. Kilmer, the eminent kidney and bladder specialist. Hospitals use it with wonderful success in both slight and severe cases. Doctors recommend it to their patients and use it in their own families, because they recognize in Swamp-Root the greatest and most successful remedy.

If you have the slightest symptom of kidney or bladder trouble, or if there is a trace of it in your family history, send at once to Dr. Kilmer and Co., Binghamton, N. Y., who will gladly send you free by mail, immediately, without cost to you, a sample bottle of Swamp-Root and a book of wonderful Swamp-Root testimonials. Be sure to say that you read this generous offer in the Gazette.

If you are already convinced that Swamp-Root is what you need, you can purchase the regular fifty-cent and one-dollar size bottles at drug stores. Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y.

## A GLORIOUS VICTORY.

The most decisive Republican victory in any municipal election in Colorado Springs in which there was a contest at the polls of partisanship occurred.

The Republicans polled every registered vote on the ticket, including all of the five tickets, and there was not a vote left in reserve in the city.

Dr. Bricker, the Republican candidate for mayor, against whom the principal fight was made, on the floor of the democratic convention, appears to have a plurality of 1,000, which is about twice what was expected by the managers of the Republicans.

The result is a victory for good government, clean politics and the material interests of the city.

Thanks to the strong, clean and fair records of the Republicans, there is no doubt that the misrepresentations of the minority were thrown back to the character of the campaign put forth by the Democratic managing leaders. It was from the begining to a campaign of vituperation, falsehood and slander, and the effort of it was to scare the Republicans to secret activity and to trigger defeat. Democrats with the course adopted by the leaders in control of their organization.

The people of Colorado Springs are to be congratulated here upon the city administration that will be in charge for the ensuing year, and also upon the fact of their love of decent municipal methods and honest politics.

## JUDGE BISSELL'S RETIREMENT.

THE retirement of Judge Bissell of the court of appeals from the bench for a time at least, the result of one of the most remarkable judicial careers in this state, is a serious loss to the public and a misfortune to the reputation of the bench of the state.

Judge Bissell practiced law for more than a decade prior to his elevation to the bench. He was appointed by Governor Grant a member of the district court in Denver. In 1891 the court of appeals was created by the legislature, and Judge Bissell was appointed by the governor for the middle term. There being three judges in the court, two for four and one for two years, so that at each period the term of one judge would expire.

At the expiration of his term Judge Bissell was reappointed by Governor McGroarty for six years, which period expires today.

During the time that he has been on the bench, Judge Bissell has, as the statute provides, served four years as president judge, and on account of the illness of Judge Reed practically two years more in that position. During these time he has written more than 600 opinions, and under the direction of the court and as the statute has been interpreted, opinions for each judge for each year, which is more work than has ever been done by any other one judge of the supreme bench of Colorado since the state was organized. In addition to the work already mentioned under the system that prevails in this state the president judge disposes of all motions and interlocutory matters, which adds a considerable percentage to the amount of work that he is compelled to perform.

Judge Bissell has had more than 18 years experience at the bar and about 11 on the bench, from which he retires with the universal respect of those with whom he has been associated.

## THE REVENUE BILL.

THERE is no good reason why the fourteenth general assembly of the state of Colorado should not have passed the revenue bill on the first day of April, or at an earlier date, instead of waiting until the morning of the second. In that case the bill would have been subject to no doubt as to the legality of its passage, while under present conditions it is almost certain that the bill has not been properly passed and can not become an effective law.

The constitution of the state is unmistakable in its declaration that all legislation at the regular session must be performed within 90 days and it also fixes the time for the beginning of the session as the first Wednesday in January. The revenue bill was not passed until the 91st day.

An attempt will doubtless be made to defend the legislature by means of a somewhat common fiction established by stopping the clock and thus giving an apparent extension of some minutes or hours to the day. But such a fiction can be taken advantage of only by unanimous consent and only when the legislative record shows that the vote in question was taken on the last legislative day. But in the present case the record clearly shows that the bill was passed on the 91st day. The legal fiction does not exist. One member of the committee refused to act with his colleagues because the terms of the assembly had expired, and the record shows that both in the house and the senate members protested against the passage of the bill because the 90th day of the session had expired before an agreement between the two houses had been reached.

In considering the measure that has been presented to him Governor Orman will doubtless take these matters into account and if any doubt as to the legality of the measure should exist in his mind it would not be surprising if in view of its importance he should submit the question of the legality of its passage to the supreme court before affixing his signature to it.

## AGUINALDO THE RECONSTRUCTED.

THE NEWS that Aguinaldo has taken the oath of allegiance to the United States will occasion no surprise to those who have watched the former course of that leader and recent events in the Philippines.

It is in fact what might naturally have been expected and indeed it is what has been predicted by some of those most familiar with the situation in the islands.

There will be two theories as to Aguinaldo's purpose in taking this action and as to the probabilities of what he may do in the future. It may be pointed out that there is nothing in the national character of the Tagal and very little in Aguinaldo's personal record that is inconsistent with the idea that the oath of allegiance is a harmless sort of diversion for the insurrectionist leader intended only to assist in securing immunity for his followers and not to be considered as interfering in any way with any future activity against the Americans.

The other theory is that Aguinaldo's new attitude is an honest one and that he has been influenced by a better knowledge of the Americans or by his personal interest, or by both. There is no doubt that Aguinaldo might be a notable personage and render much valuable service if he would honestly enlist in the cause of the Americans and seek for the betterment of the islands under American sovereignty. It is not at all impossible that he may do so.

It will be noticed, however, that neither one of these theories offers any comfort to those Americans who have been dignifying Aguinaldo with the title of the George Washington of the Philippines. It is an easy matter for the anti-imperialists of Boston to talk about dying in the last ditch for the rights of Filipino independence, but Aguinaldo in Manila does not see in that way. And consequently he has never seriously contemplated that he was going to become a great subject of the United States or that he was going to do more than permanent state be expected. It is not likely that Colorado anti-imperialists, in the similar situation, would have more either than of these things.

## THE ORE DEPOSITS OF CRIPPLE CREEK

THE FIRST PAPER to be given this afternoon by Mr. Charles F. Monroe, consulting engineer of the Portland mine, is one of extraordinary interest to the people of this city. It will appeal to everyone who has any practical information regarding Cripple Creek or any other mining district. Every mine owner in this district should attend and every stockholder who is interested in mining stock will find the paper fraught with items of the highest value to him personally, and everyone in the city who desires for any reason to obtain reliable information on the subject of Colorado mining will find here an excellent opportunity to do so.

Since a lecture of this kind of the highest importance, when to the city as a body, for it will put in the form of a scientific statement the strongest claim we have to the confidence of the world as judge of our commercial growth and permanency. The authority of the speaker in his ability to relate the very essential information and to work the promotion of the global interest as well as personal reasons we bespeak for him an audience that shall fill Pike's Peak hall to the doors. The lecture comes as one in the public course which Colorado college has been giving.

## FROM THE PRESS OF THE NATION.

### The Despair of the Russians.

(New York Press.)

Count Cassini produces the periodical evidence of his belief that he is given at Peking with his personal demeanor all the importance in the "Boxer" affair which has caused every foreign diplomatic representative in Russia's operations in all kind of ways, including adventure, and the sale of a portion of the forty million rubles and of the Chinese Eastern railway, and the transfer of thousands of workmen. He appears clearly, just as that the Chinese Eastern railway is to work for more means of access to the south, and the movement in the master national plan that has the Russian, including the Russian, which has been planned the partition of Turkestan where has been used to be work a time.

The fact proves the resistance Russia and the Russian government and the Russian government which have shown to have shown the world that Russian civilization has given up in the face of the Chinese and Russian, and the Russian government which has given up in the face of the Chinese and Russian, and the Russian government which has given up in the face of the Chinese and Russian, and the Russian government which

# H. RUPP WINS IN MANITOU

## ular Republican Candidate Made a Pretty and Successful Race for Mayoralty.

ou stood by her time-honored yesterday.

all others fall down Manitou Republican and when all others Republican Manitou is still in line fruting.

H. Rupp, Republican, was mayor by 74 votes.

day's election in the famous eak resort was in some respects t interesting in the history of n. The ticket was one on nly two candidates had opposed the race between the Republ- his opponent in each of these s was very close and exciting. Rupp, who was the successful e for mayor, defeating C. E. , is one of the best known and ighly esteemed young men in 's Peak region. He has re- Manitou for about 10 years, hich time he has made himself in the esteem of his fellow n indicated by the honor which e now bestowed upon him. He oubtedly make one of the best that the town has ever had.

ely contested was the election Mou that in one of the precincts town there was a tie in the mayor. This was in Precinct o. 1, Mr. Rupp pulled out a majority of 74, which stood as his majority in the race. His opponent, Mr. C. E. Tillitson, is a real estate dealer. One of the principal issues in the campaign in Manitou was the attitude of the town on the litigation known as the Park case. It involves a title claimed by the town in a park, the title to which is claimed also by the Mineral Water company. Mr. Rupp represented the people who advocate the prosecution of this case to the highest courts.

The total registration in the two precincts of the town was 633. The total vote cast was 494. The vote in detail is given below:

| | |
|---|---|
| For Mayor | |
| D. H. Rupp, Republican | 284 |
| C. E. Tillitson, Citizens | 210 |
| Republican majority | 74 |
| For Treasurer | |

lors of the Citizens party in City are waving on high and Government party colors are the dust. The Citizens party l of their ticket by majorities rom 593 to 535, and all of the party aldermen were elected lies ranging from 65 to 268. ll the election was over and as assured did the Citizens way to any form of demon- All of the carriages in the in use by the different par- ing voters to and from the he carriages which were in of the Citizens party were with the national colors, red, d blue, while the Good Gov- carriages bore large signs ructed the voter who they st their ballots for. The day atly quiet, no arrests what- made. After the vote was however, so victory was as- the Citizens party, a crowd ss men carried some anvils e hill north of the city and kept booming for some time. s a general jollification.

aulkner, who defeated Chas. L. Cunningham for mayor by a majority of 463, has served the city in the capacity of chief executive twice before and is a good man for the place. He has been in the city for many years and has held almost every office in the gift of the city.

L. A. Dorlac, the successful candidate for the office of city clerk, won by a majority of 393. Mr. Dorlac was elected to this office last year on the Good Government ticket and made an excellent clerk.

William F. Benedict, who defeated Jessie J. Bell for the office of city treasurer by a majority of 423, was one of the strongest men on the Citizens ticket and no doubt will make one of the best treasurers the city has ever had.

George C. Birdsall, who was elected marshal of the city with no opposition, was the candidate on both the Citizens and Good Government tickets. He is the present city marshal and enough has been said about the way in which he has performed his duties when it is remembered that he was endorsed by both parties.

Chas. B. Miles, who was elected street supervisor, had no opposition. Mr. Miles has performed the duties of this office for the past year to the satisfaction of all and although he was nominated only on the Citizens ticket, the opposition did not put a candidate in the field to run against him. Mr. Miles has many friends in Colorado City and the members of both parties alike will be glad to hear of his re-election.

John McCoach, who defeated O. F. Ingraham for the office of city attorney by a majority of 493, has lived in Colorado City for a long time and the large vote which he polled testifies as to his many friends. He was a very strong candidate and was elected by the second largest majority on the ticket.

J. P. Bates, who was elected to the office of police magistrate by the largest majority on the ticket which was 535, is also an old resident of Colorado City. He has been a justice of the peace in that city for some time and is very well liked and respected by those who are acquainted with him.

Colorado City is now a city of the second class and all of the newly elected officers will be the first to hold office under the new form of government. The newly elected candidates will begin their duties immediately after the next meeting of the present board of aldermen which will be on the 15th of the present month.

**Always on Time to Denver**

Is the 8 a. m. train on the Colorado & Southern railway. It is one of the eight daily trains.

## People by the Hair!

An average, healthy hair will support a quarter of a pound. There are 120,000 of these on the head. They all together would support 30,000 pounds, wouldn't they? This is equivalent to an audience of 200 people, weighing 150 pounds each!

It's mathematically true that an average head of hair will support an entire audience of 200 people. It doesn't seem possible, but it's so.

It doesn't seem possible, either, that Ward's Pilocarpine Hair Tonic restores color to gray hair; but it does restore it, and every time, too—all the dark, rich color the hair had years ago. It stops falling of the hair also, and keeps the scalp healthy and free from dandruff.

**WARD'S DRUG STORE, WARD'S**

109 E. PIKE'S PEAK AVE.

# Goldmark Pleased Fashionable Audience

A cultured and fashionable audience filled Perkins Fine Arts hall last night and was charmed and delighted by Mr. Rubin Goldmark's magnificent interpretation of Wagner's "Goetterdaemmerung."

"The Goetterdaemmerung" or "Dusk of the Gods" is the closing drama of Wagner's great Nibelungen tetralogy and it combines the dramatic power and musical beauty of the three preceding dramas. Mr. Goldmark's descriptions of the scenes and motions was lucid and thrilling to a high degree. By word and by his touch on the piano the Wagnerian student and interpreter held the rapt attention of his critical audience and the lecture-recital was frequently interrupted by appreciative applause. This recital closed the Nibelungen tetralogy but the series of recitals on the Wagner music-dramas still has one more number. The course will close next Tuesday night when Mr. Goldmark will interpret "The Mastersingers of Nuremburg."

## PERSONAL MENTION.

W. H. Evans left last night for an eastern trip.

Mr. and Mrs. Middagh have returned from California.

Miss Lena Crumley, of David City, Kans., is visiting Mrs. Marion Bradfield in this city.

A. J. Overpeck and son of the "Evil Eye" company, were the guests of Mr. and Mrs. H. W. Rouse at the Garfield school yesterday.

Dr. George F. Libby has leased the house at 817 N. Cascade avenue, now occupied by Dr. C. F. Gardiner. The house will be taken by Dr. Libby about October 1.

## GLEE CLUB WILL START ON TOUR

The Colorado College Glee and Mandolin clubs start out tomorrow morning at 4:40 o'clock on their fourth annual tour. The clubs will leave over the Southern in a private car which will be their home for the next two weeks.

The first stop on the trip will be made at Laramie, Wyoming, the boys arriving there about 2:30 tomorrow afternoon. From there they go to Cheyenne, Wyoming, and then come down to Denver by way of Eaton, Greeley, Windsor, Fort Collins and Longmont. Concerts will be given in each of these places, Easter Sunday being spent in Greeley where the boys will sing at one of the churches. The Denver concert will be followed by a concert at Montclair and Sunday will be spent in Denver. The boys will then go over to Golden and from there to Georgetown, Central City and Idaho Springs, after which the clubs will run down to Pueblo for their last concert. After the Pueblo concert the clubs will rest up a week before bringing their season to a close in this city with their annual concert on April 26.

Both clubs are strong this year and the concerts promise to surpass any of those given by previous clubs. The glee club is especially good on ensemble work, and shows the results of conscientious drilling by Mr. Crampton, the able conductor. The Mandolin club is much better than last year's organization and together the clubs will give a highly entertaining and artistic concert.

## MOORE WILL LECTURE AT COLLEGE TODAY

Mr. Charles J. Moore, consulting engineer of the Portland mine will lecture this afternoon on "The Geology and Ore Deposits of the Cripple Creek and Leadville Mining Districts." He will show the nature of the two eruptions and the contrast between the two districts by large charts and illustrations on the blackboard; and will describe fully the conditions under which the ore deposits were formed. The whole subject will be treated from the standpoint of the practical miner. The lecture comes at 3:30 p. m. in the auditorium at Perkins hall. Everybody is cordially invited.

## SODA TANKS MADE TROUBLE

Considerable excitement was caused in Mueth's candy store yesterday about noon by the bursting of two soda water tanks. The tanks had been charged too highly and after they had been put in place the fountain blew up. Fortunately very little damage was done except to the piping of the fountain. This was fixed by plumbers and the fountain will be running all right today. Manitou soda in bottles was used in place of the fizz from the fountain and the business continued just the same.

**$25.00 to San Francisco**

And to all other main line points in California, including Sacramento, Los Angeles and San Diego. You can secure this rate every Tuesday during February, March and April, at the city ticket office of the Colorado Midland railway; 13 North Tejon street.

RUSSELL GATES MERCANTILE CO.

## ELECTION DAY WAS ORDERLY

Election day with the police was very quiet. The regular day men were on duty and each looked after the precincts near his beat.

The officers reported that everything had been quiet. Only one arrest was made and that was for driving on the sidewalk at the polling place for precinct 33 on North Weber street. A. J. Chase was the name of the man. He was driving an election rig and drove onto the sidewalk to save passengers from wading through the mud. Officer Sixt placed him under arrest and ordered him to appear in police court this morning. None of the other officers reported any trouble of even such slight consequence as this. It was a quiet, orderly election all around.

A few drunks were arrested during the day but these did not total up to a number worthy of mention.

## MANITOU TOWN BOARD HELD MEETING

The town board of Manitou met in in the office of the town clerk and recorder last night and transacted some routine business. The regular monthly bills were read and allowed. The total amount of bills allowed at last night's meeting was $774.85. The annual report of the town treasurer was read and approved by the board.

A few minor matters were discussed, among them the matter of applications for saloon licenses. Under the new liquor ordinance applications must not be acted upon by the board until at least five days after they are made and they must be granted by the 15th of April, as the old ones expire at that time. At present there have been no applications made and the board adjourned until next Thursday evening so that if there should be any applications they may be made at that meeting.

## PRESBYTERIAN MEETING TONIGHT

The most important meeting of the church year for the First Presbyterian church will be held this evening. Brief reports from all departments of the work will be presented, officers elected and other important business transacted. A big attendance of members and adherents is expected. A social reception will be tendered to new members and strangers after the business meeting.

## "THE EVIL EYE"

The "Evil Eye" came to the Opera house last night for the second time. If anything, last night's performance was better than last year's and the audience was very appreciative. The many mechanical effects which have made the show a delight to thousands the country over, were shown in all their beauty last night and the electric ballet was one of the prettiest dances which has been seen in this city for a long time. The story is a very exciting one and keeps the audience thrilled from start to finish.

BORN—To Mr. and Mrs. J. C. Stuart, yesterday evening, a son. Mother and son are reported as doing nicely.

DAY NURSERY MEETING The regular monthly meeting of the board of managers of the Day Nursery association will be held at the residence of Mrs. H. C. Lowe this morning at 10 o'clock.

RALPH MILLER DEAD Ralph J. Miller, the 13-year old son of Mr. and Mrs. J. K. Miller, died at the family residence, 1700 North Tejon street, yesterday. Scarlet fever was the cause. The funeral will be held at 11 o'clock this morning and will be strictly private.

Appropriate Easter gifts at Mueth's.

Those famous little pills, DeWitt's Little Early Risers, will remove all impurities from your system, cleanse your bowels, make them regular. Hefley Arcularius Drug Co., C. E. Smith, 117 S. Tejon street.

**$25.00 to California Over Rio Grande Railroad.**

Every Tuesday, commencing February 12 to April 30. City office, 16 North Tejon.

**New York Dental Parlors**

15 and 16 Exchange Bank Block. Entrance, Elevator, Pike's Peak Ave.

## Amusements.

**THE NEXT ATTRACTION.**

On next Friday at the Opera house will be produced Lincoln J. Carter's new comedy drama, "The Eleventh Hour." In his new play Mr. Carter has achieved another success as he believes. "That what is worth doing at all, is worth doing well" as is shown by the elaborate manner in which he presents "The Eleventh Hour" with a large and capable company with the most expensive stage settings ever placed on any stage outside of New York and Chicago, one can easily realize why he has again scored an emphatic "hit."

One scene alone costing $5,000.00 is considered the handsomest drawing room scene ever produced. It is in this scene that two of the characters have the terrific combat, during which, in their mad struggle, they create havoc out of the beautiful apartment and to all appearances destroy every piece of furniture in the room in their frantic hate, smashing bric a brac and furniture. It is a whirlwind of passion, while the audience, spell bound, watches the realistic scene before them.

**"THE STAR BOARDER."**

"The Star Boarder," which will be the attraction at the Opera house Saturday evening next, is a musical farce comedy in three acts. The piece is intended for laughing purposes only, and serves as a vehicle for the introduction of Charles Boyle and his clever company of fun producers. Mr. Boyle in the leading role is decidedly funny, his province is low comedy and character sketching, he is assisted by a company of twenty ladies and gentlemen, all thoroughly capable—the singing portion of the show is said to be very fine. The costumes displayed by the ladies will be a treat for our theater goers as Mr. Boyle does not allow anything of a cheap nature to be brought into "The Star Boarder" assortment of wardrobe.

## IN DISTRICT COURT

Two suits were filed in the district clerk's office yesterday. Mrs. Edwin Arkell filed suit against the Travelers' Insurance Co. to recover $4,000 on an insurance policy made out for Nathan Oakes, Mrs. Arkell being named as beneficiary. Nathan Oakes died some time ago and according to the complaint the policy has never been paid.

C. M. Sherman filed a foreclosure suit against G. P. Greenfield and Nora Greenfield to recover $200 alleged to be due on a note which was secured by Colorado City real estate.

Judge Cunningham sat in chambers during the day but did not handle any important matters.

## WITH THE POLICE

In police court yesterday morning Judge Shideler disposed of the following cases:

Mike Devaney, Joe Price, William McAloney, Mike Conners and James Ryan were each fined $10 and costs for drunkenness and as none was able to pay his fine they were all committed to jail. Connors was released from custody only Sunday evening and in a few hours was again in jail. Frank Adams was fined $2 and costs for drunkenness and was committed.

Have your clothes cleaned by the month. Hunter, 111 N. Tejon. 'Phone 549-B.

**Easter Is Near.**

And many will be wanting bright, new shoes for the occasion. We will be pleased to show you the latest shapes in shoemaking that stands the test and pleases the wearer.

E. Smyth, 30 N. Tejon St.

"I have been troubled with indigestion for ten years, have tried many things and spent much money to no purpose until I tried Kodol Dyspepsia Cure. I have taken two bottles and gotten more relief from them than all other medicines taken. I feel more like a boy than I have felt in twenty years."—Anderson Riggs of Sunny Lane, Texas. Thousands have testified as did Mr. Riggs. Hefley Arcularius Drug Co., C. E. Smith, 117 South Tejon street.

**For Damp Weather.**

# Ladies' Costumes, Suits, Coats, Jackets & Waists

There is still plenty of time to be as well dressed for Easter as if you had spent hours at your dressmaker's. Our ready-to-wear garments are absolutely perfect in style, fit, finish and workmanship. They are made of the most fashionable materials and represent all the desirable and correct shades. Designs of the most famous home and foreign modists. You can be stylishly dressed for a price as low as $7.50 or you can invest as much as $175.00 for a single gown. The best of values at intermediate prices and "no trash at any price."

**Ladies' Easter Headwear** Artistic Millinery at reasonable prices. No trash at any price. That's the whole story in a nut-shell. Look over our collection (you'll be sure to find something to suit) and you will see that even the lowest cost hats carry a style not to be seen in the highest cost goods bought elsewhere. In the more expensive patterns we acknowledge no competition. You may buy hats of us for $1.50 each or any other price up to $40. They will be stylish hats no matter how low the price.

**Ladies' and Misses' Kid Gloves** The correct thing in kid gloves always. Buy now and be fitted properly before the great day-before-Easter rush. Our $1.00 glove is the greatest value on any market. Other great values at $1.50, $1.75, $2.00 and $2.25.

**Ladies' Misses' & Children's Footwear**

Representative stock of newest spring shapes and most desirable leathers made by Laird, Schober & Co.; The John J. Lattemann Co.; Krippendorf, Dittman & Co., and The Thos. G. Plant Co. The famous Queen Quality shoes at $3.00 (Oxfords at $2.50) are here in all the late lasts. Full line of Misses' and Children's shoes.

# THE UNEXPECTED CLAIM

## Lessee Says There Is Nothing Sensational in Developments---Very Good Ore In a Mabel M. Lease---Prince Albert Lease Sold.

Special to the Gazette

Cripple Creek April 2 Leonard Worcester who has the lease on the Unexpected claim of the Central Consolidated company states that there is nothing in the developments toward a sensation He is drifting east and west along the vein which Sam McDonald and associates the former lessees, opened up in the 30 foot level Although some good assays of 2 and 5 ounces have been obtained from very narrow seams and streaks assays today ran from $1 50 to the ton up to $8 There is no particular vein the walls being very indefinite The formation is very much broken up in the property the shaft being on the contact of the granite and the porphyry There is no real ore in sight so far although a phonolite streak 18 inches in width was shot into today in the east drift The lessee after a little more prospecting in the Unexpected claim will run a lateral for on the Jay Bird claim adjoining on which he has a lease All the work in the Unexpected claim is being done in the 30 foot level

### Mabel M.

Lessees Tillery and company operating a lease on the Mabel M company's ground near the Gold Dollar will shortly commence steady shipments a good vein having been encountered at a depth of 60 feet The vein which is in the phonolite was cut on its dip at a depth of 30 feet in the shaft and later a crosscut run to the west to open it at the 60 foot depth It contains some very fine ore some of it running as high as five ounces to the ton The lessees are arranging to erect ore bins and will put out a shipment as soon as these are ready Another lease of the Mabel M to the south of the Tillery block is in a fair way to commence shipments from a good vein cut at a depth of 75 feet. The lessees are putting up plants and will commence hoisting in a few days

### Prince Albert Lease Sold.

The Head lease on block 10 of the Prince Albert company's property on Beacon hill has been sold to W P Dunham and R H Reid for a consideration of $6 000 The lessees have been producing steadily for the past four or five months and some of the ore which they have been taking out is of a very high grade heavily spotted with sylvanite The lessees have been making a production of about 25 tons per week for some time besides doing a small amount of development work The lease has 18 months to run

A carload shipment of high grade ore was sent out yesterday from the Standard lease on the Mountain Beauty by Murphy and associates

A new cylinder is being put in on the big hoist on the John A Logan The old cylinder was defective in casting

# IMPROVEMENT IN LITTLE PUCK

## The Screenings Are Running Just a Little Below Pay for the Entire Six Feet of the Vein---Remarkable Progress.

Mr J H Hobbs of the Climax Mining and Leasing company, was in the city yesterday and had some good news to tell of recent developments on the Little Puck property which his company is working under lease

"We have now drifted some thirty feet north he said "and there has been a constant improvement during the last few feet of work leading us to suppose that we shall encounter a good shoot of ore after some further drifting in this direction From the showing in the tunnel level it is apparent that the shoot dips to the north, and it may be that fifty feet more work will be necessary

"Even now however we have a good showing The seams in the vein and the streaks of talc yield very good assays, while the screenings from the entire six feet run between $16 and $18 in gold to the ton The vein is as handsome a one as I have ever seen and I am confident it will show up splendidly before we are through with it"

The lessees are working with machine drills, and are making the remarkable record of eight feet a shift, and are working two shifts One of the best drill men in the country is employed who puts in two rounds of holes every shift At this rate it ought to be only a very short time before the shoot is opened up

The Little Puck property is located on Squaw mountain, and the Santa Rita claim, of which much has been heard since the beginning of activity in this section of the camp, cuts across the Little Puck properties

On the Santa Rita the lessees have a very good body of ore in the bottom level, and will soon be in a condition to maintain a large output

# OURAY M. AND M. COMPANY

## Purchases the Fredonia Claim for $20,000---Thirty Acres Are Now Owned Between Camp Bird and Iowa and Smelter Trust.

The Ouray Mining and Milling company, owning valuable land adjoining the Camp Bird mine in Ouray, has just purchased additional property in the Fredonia claim 10½ acres adjoining the Camp Bird mine and the original property of the Ouray company

The Fredonia claim is an undeveloped piece of property and the company paid $20 000 for its acquisition this being one of the largest amounts ever paid for a piece of undeveloped ground in this district The location of the claim is considered very desirable, and the Revenue company was endeavoring to secure it at the time the Ouray people closed the deal

It is thought that four of the largest producing veins in the district meet here and efforts will be made to open the junctions at once A tunnel will be driven into the hill at once to open the veins at a depth of about 2 000 feet from the surface

The acquisition of this claim gives the Ouray company 30 acres in a solid group between the Camp Bird and Iowa and Smelter Trust properties and the company also owns a tract of 40 acres further down the hill The deal was closed through the efforts of Mr H. H. Barbee of this city who is an officer of the Ouray company

# ANOTHER BIG OURAY DEAL

## H. H. Barbee and Henry McMasters Secure 85 Acres of Ground Near the Camp Bird for a Consideration of $100,000.

H H Barbee associated with Henry McMasters and others of this city who recently incorporated the Ouray Mining and Milling company have just closed another deal for the purchase of 85 acres of patented ground near the Camp Bird mine at Ouray The deal involves a consideration of about $100 000.

We expect to make this one of the big mines of the region" said Mr Barbee yesterday "the showing is very favorable and in the 2 000 feet of tunneling which has been done up to date the indications have warranted further exploration work We intend to incorporate a company to take over this ground just as soon as possible The company will be capitalized at $200,000, divided into 2 000 000 shares of a par value of 10 cents each"

Mr Barbee has been associated with some of the largest deals which have recently been made in this city and he has acquired a very enviable reputation as a promotor His new company promises to be one of the successful flotations of the year

# PETROLEUM IN RIO BLANCO COUNTY

## Indications of an Immense Oil Basin Discovered---An Oil Spring Flowing 5 to 10 Gallons Per Day.

The people of Los Angeles have always been regarded as progressive and speculative while those of San Francisco have consisted mostly of the conservative strong financial element whose methods of business have acted as a balance wheel to the entire state of California

For this reason when the people of Los Angeles took hold of the oil industry few eastern people took notice of it but when San Francisco capitalists saw that the oil industry was on a sure foundation and invested their money hundreds of eastern people followed suit In the state of Colorado history has been the same For years the production of oil has been going on and the management of the most speculative men in the state The industry is profitable and little has been made public of the operations of the various companies who have been content to work quietly and secure the bulk of the territory in the Florence field Geologists maintain that while the result of the operations in the Florence field has been good still the great oil basin of Colorado has never been found and that it is further to the west in Rio Blanco From this standpoint the discovery of oil in Rio Blanco county and subsequent operations possess more than ordinary interest

A number of people interested in oil have devoted their attention to oil lands in this section and as a result have secured some 6 000 to 7 000 acres of land on which they will soon begin to drill wells This land has all the indications usual in the oil fields of California and Pennsylvania and additional confirmation of its being oil territory is given by the presence of an oil spring that is flowing some 5 to 10 gallons per day Such indications of oil in salt mineral springs infusorial and Fuller's earth, red shales and shales of all other colors exist in profusion, leaving no doubt as to the existence of an immense oil basin

One fact specially worthy of note in connection with Colorado oil is that the quality is far superior to that of California or Texas These are mainly suitable for fuel but the oils of Colorado coming from a paraffin base are used for illuminating oil and thus possess a value not attained by those of other fields

The oil industry of Colorado is only in its infancy but attention is being called to it gradually and soon capital will flow in freely, of which Rio Blanco will receive a large share

Young men up to 36 of best measure can find Overcoat, Suits or overcoats that will make the best tailor-made, and be surer of the style. Look for the Red Crescent. Prices are $10 to $25.

In Colorado Springs only of A. H. Wahlte & Co.

# BRAIN FOOD

### Is of Little Benefit Unless It is Digested

Nearly everyone will admit that as a nation we eat too much meat and too little of vegetables and the grains

For business men office men and clerks, and in fact everyone engaged in sedentary or indoor occupations grains milk and vegetables are much more healthful

Only men engaged in severe outdoor manual labor can live on a heavy meat diet and continue in health

As a general rule meat once a day is sufficient for all classes of men women and children and grains fruit and vegetables should constitute the bulk of food eaten

But many of the most nutritious foods are difficult of digestion and it is of no use to advise brain workers to eat largely of grains and vegetables where the digestion is too weak to assimilate them properly

It is always best to get the best results from our food that some simple and harmless digestive should be taken after meals to assist the relaxed digestive organs and several years experience have proven Stuart's Dyspepsia Tablets to be a very safe pleasant and effective digestive and a remedy which may be taken daily with the best results

Stuart's Dyspepsia Tablets can hardly be called a patent medicine as they do not act on the bowels nor any particular organ but only on the food eaten They supply what weak stomachs lack pepsin diastase and by stimulating the gastric glands increase the natural secretion of hydrochloric acid

People who make a daily practice of taking one or two of Stuart's Dyspepsia Tablets after each meal are sure to have perfect digestion which means perfect health

There is no danger of forming an injurious habit as the tablets contain absolutely nothing but natural digestives, cocaine, morphine and similar drugs have no place in a stomach medicine and Stuart's Dyspepsia Tablets are certainly the best known and most popular of all stomach remedies

Ask your druggist for a fifty cent package of Stuart's Dyspepsia Tablets and after a week's use note the improvement in health appetite and nervous energy

# MINING NOTES AROUND TOWN

In accordance with a custom adopted by the other exchanges of the country, the local mining exchange will hold no call on Friday or Saturday next The first is Good Friday, and the Saturday is considered necessary in order to prepare for Easter. The brokers have not been so busy that a vacation is imperative but the general impression is that a rest of a few days may allow the market to recuperate

### STOCKS ACCEPTED BY THE OLD EXCHANGE

The listing committee has accepted and the attorneys for the exchange have approved of the following stocks which were this morning added to the preferred prospects list The Bostwick Gold Mining company, owning the St John Bostwick 6½ acres on Raven hill the Hard Carbonate Gold Mining company, owning the Hard Carbonate and Apex lodes about nine acres on Tenderfoot hill. The following have been accepted as prospects Alice M Mining company, owning the Alice M eight acres on Tenderfoot hill, the Gold Calf Consolidated Gold Mining company, owning 13 acres on Squaw mountain, and the Xerxes Gold Mining company, owning the Little Emma, about nine acres on Galena hill

### ELKTON PUMPS ARE WORKING EASILY.

The Elkton pumps are in operation and are making some headway with the water. No effort is made to rush the work at first, the object being to get them running smoothly The level of the water in the shaft has been lowered a few feet, but the seventh level has not yet been reached If the water is once lowered below the seventh the whole mining fraternity will breathe more easily, for the success of the Elkton mine is very close to the interests of the community

### DUNHAM AND REID BUY PRINCE ALBERT LEASE

The Head lease on the property of the Prince Albert on Beacon hill has just been purchased by W P Dunham and R H Reid of the Independence Consolidated The consideration was $6 000 This lease has been one of the most successful on this property, and still has eighteen months to run The new owners intend to prosecute more active work on the ground than was accomplished by their predecessors They will thoroughly open up the mine with the intention of making a large output later. The showing here has been very favorable for a long time

# ANOTHER BEAUMONT GUSHER

## Is Reported to Have Broken Loose---An Interview With Mr. Rittenhouse In Regard to the Market for Texas Oil.

Mr L L Rittenhouse of the Dorsey Investment company yesterday received a telegram from Mr Dorsey to the effect that another gusher was reported to have broken loose in that district late in the afternoon The excitement there is growing all the time and there is now no available ground at any price within a radius of two miles of the Grace Oil company the promotion of the Dorsey people and their associates

In speaking of the market for the immense amount of oil which is now flowing in the district Mr Rittenhouse said yesterday

It might appear as if the enormous output of the district now and the amount likely to be put upon the market after the hundreds of wells which are now being drilled reach the oil would injure the market for this product but as a matter of fact this great supply instead of more than supplying the demand will create a demand which has never before been made for the simple reason that nothing before would have supplied it

That is to say never before this enormous amount of oil was encountered was there enough produced to supply railroads steamships and other concerns using fuel with it in any quantity But now that it is found that the crude oil can be procured for 40 cents a barrel and used for fuel there will be almost no limit to the demand for it

In California where coal is high the railroads use it entirely having contrivances for creating a spray which is ignited under the boiler In Texas coal is also much higher and a great saving is possible for those who use oil which in the Mexican mining region where exorbitant prices are asked for coal the fuel oil will indeed be a boon

When railroads pass through Beaumont and the freight rates are extremely low to tide water where ships for all parts of the world are waiting to transport the fuel to those who will want it The beauty of it is there is no refining is necessary It is most valuable for fuel in its native state

The discovery of the oil in Texas is the greatest thing since the discovery of the gold fields in California

# THE SALES PLACE

In this life is on earth, and it is equally true that the safest investments are in Colorado Springs real estate.

Houses and Lots do not take wings unto themselves like many other investments.

With the appearance of this advertisement we will have ready an entirely new addition to Colorado Springs, which we will offer you as an investment.

Colorado Springs is not an aggregation of houses waiting for people to occupy them; it is an aggregation of people waiting for houses. It is not a boom town, but a certain rise in real estate values is inevitable.

We offer you your choice of 60 large lots located on East Dale Street, between Institute and Prospect Streets, that for cheapness and beautiful location have no equal.

The best view of the city; the best view of the mountains; an hour and a half more sunshine each day; 20 miles less wind an hour; less dust and less smoke.

The new car line will pass your home in 5 minutes from the Post Office. City water on the ground now.

Think it over, and if you can see the point, come and see me, or any real estate dealer.

Your credit is good.

## THE COLORADO SPRINGS MINING STOCK EXCHANGE.

Colorado Springs April 2.—The market was unsettled this morning very dull and weak in instances, although the general tone was undefined. The radical changes which have been made in the listing of the many stocks, the abolition of the 'pit call' and the creation of a temporary department, the "unclassified list" to contain both the unlisted and pit stocks until definite action is taken on those stocks which have applied, but have not been passed upon attended toward confusion. At best, it is not unlikely that the market would have still been dull and rather weak, and with the additional, and as it has turned out quite potent conditions favorable to the present inclination of the market, the conditions on the whole were more discouraging today than they have been since the slump set in. However it is something which will work greater benefit in the end, all this changing, and dull times and weak prices now will be the sure preliminaries to activity and strength as soon as the lists are settled.

On the afternoon call there was not as much confusion owing to the change in stocks trading was better and prices were stronger. Trading in the mines was good. A-J was active at 25. Butterfly strong at 45. Elkton steady at $1.77½. Golden Fleece 37¼. Isabella 73. Pharmacist 13. In preferred prospects trading was good. Central 9½ buyer 30. New Haven closed at 8¼. Trachyte 7¼. Prospects light and featureless. Better trading in the unclassified list. Acacia 16½. C. C. Bullion only active at 2. Sedan 17½.

The sales for the day amounted to 410 330 shares of which the cash value was $41,375.

"To-morrow, and to-morrow, and to-morrow,
Creep on in petty space from day to day
And all our yesterdays have lighted fools
The ways of dusky death."

Procrastination is the thief of health as well as the thief of time. There are few things in which procrastination is so much indulged as in letter writing. We mean to write, but "to-morrow and to-morrow creep on" and we neglect it. This is bad enough when the correspondence is social or business in its character, but when it concerns the vital issue of health it is infinitely worse.

This touches *you*, if you are one of the women who have felt inclined to take advantage of Dr. Pierce's offer of a consultation by letter, *free*. You have studied the evidence which shows how other women have been cured. You cannot doubt but that Dr. Pierce's Favorite Prescription does cure diseases peculiar to women; irregularity, ulcerations, inflammations, bearing-down pains. You cannot doubt it, because of the force of the testimony of hundreds of thousands of weak women made strong, and sick women made well, and you mean to write—to-morrow.

Write to-day. Your letter will be read in private, its contents guarded as a sacred confidence, and an answer promptly mailed you in a plain envelope without any printing upon it. Address Dr. R. V. Pierce, Buffalo, N. Y.

"When I wrote you about my ailments I was living in Richland, Iowa," writes Mrs. M. Vastine, of 647 South Liberty Street, Galesburg, Ill. "I took six bottles of Dr. Pierce's Favorite Prescription, four of the 'Golden Medical Discovery' and four vials of Dr. Pierce's Pleasant Pellets. Before I had taken four bottles of the 'Favorite Prescription' I was a new woman. I cannot make pen describe my heartfelt gratitude, but will confirm the truth of all I say, if those who write inclose stamped envelope for reply."

Dr. Pierce's Pellets are a natural aid to beauty. They clear the complexion.

## THE COLORADO-McKITTRICK OIL AND FUEL COMPANY

**Capital Stock 500,000 Shares.**
**In Treasury, 250,000 Shares.**

Before investing in Oil stocks, investigate these points:

1st. Are the lands of the company actually in a WELL-KNOWN AND PROVEN OIL DISTRICT?

2d. Does the Company actually own its lands, or are they leased on a royalty basis for a term of years only?

3d. Is the Company organized solely for the purpose of DEVELOPING ITS LANDS AND THE PRODUCTION OF OIL, or is it a scheme to float worthless stock?

4th. Is the stock of the Company fully paid and non-assessable?

6th. Are the lands NEAR A RAILROAD and the transportation facilities favorable for marketing its oil, or must it be drawn by team fifty or sixty miles across a desert to the nearest market?

**The Colorado-McKittrick Oil and Fuel Company courts investigation on all these points.**

What is known as the McKittrick Oil District is now conceded to be one of the greatest oil-producing sections in the state of California, having the largest wells, including those of the famous Kern River Oil company which lie a short distance east of our land, while to the north are the flowing wells of the Climax and Common Sense Oil companies, and to the south the Midway and Sunset district.

Our lands are, therefore, situated in the heart of the most completely defined oil belt in the state.

The company owns its land, consisting of 160 acres, and thus will have no royalties to pay, and will have room for a large number of wells.

The stock is fully paid and non-assessable.

The land is situated in the McKittrick district, Kern county, California, and the McKittrick branch of the Southern Pacific railroad is now completed to within 3½ miles of our land, and within a few months will be built very near to the property thus making it possible to market the product with the least possible expense.

No pains or expense have been spared in verifying the reports as to the value of this land. C. H. Congdon, a reliable expert of Kern county, among other things says of this tract: "I consider this one of the best tracts of undeveloped oil lands in the state, and I have no hesitancy in stating that it has equal if not better indications for the successful developing of oil than any other tract of land in Kern county."

This Company is capitalized at 500,000 shares, one half of which is in the treasury. **100,000 Shares of this Treasury Stock are offered at 10 Cents per Share** for the sole purpose of developing OIL on the Company's property.

#### SAN MIGUEL COUNTY.

Articles of incorporation of the Southern Mining and Milling company have been filed in the office of the county clerk. It is an organization composed principally of railroad men, the incorporators being Grant Sanders, conductor; M. M. Williams, engineer, and F. J. Barbee agent, all of the Southern system. The capital stock is $100,000, divided into 20,000 shares of $5 each, non-assessable. Directors for the first year are P. B. McAtee, F. S. Hetrick, J. W. Sowers, F. J. Barbee, C. C. Erwin, George H. Root and Grant Sanders. Office of the company is located in Telluride, and the principal scene of operation will be in San Miguel county. The object of the company is to carry on a general mining and milling business in the counties of San Miguel, Dolores, San Juan and Ouray "to acquire, discover, hold and operate mines, mills, mill sites and water rights in connection therewith in the above counties. To possess, enjoy and hold all and singular the rights, benefits and privileges incident to and connected with and given under the laws of the state to corporations of such character. To have and to hold any and all such real estate as shall be necessary and convenient for the proper conduct of such business, and particularly the acquiring and holding of mines and mining claims, mills for the reduction of precious metals, water and other rights for the use of such mills, and the generation of power therefor, and such other property as may be used with and necessary to a general mining business."

At a meeting Wednesday evening Grant Sanders was elected president; H. D. Auld vice president; F. J. Barbee secretary and and treasurer. H. M. Hogg is attorney for the company.

About 600 feet remain to be driven before the Deadwood crosscut will be completed, when the old Nevada property, one of the richest in the Ophir district, will be reopened for production. Three shifts are now pushing the work as rapidly as possible, and considerable ground is broken each day. The company has taken hold of the work with a confidence that betokens success, and the new development will make a winner of this old time proposition.

A good force is steadily maintained on the Silver Bell, at Ophir Loop, and splendid progress is being made with development. Regular shipments are being made and good profits are realized. Operations on the Bell will reach considerable magnitude this summer, and the company has the territory to evolve a magnificent mining proposition.—(Examiner.

Surveyor General.

"Last winter I was confined to my bed with a very bad cold on the lungs. Nothing gave me relief. Finally my wife bought a bottle of One Minute Cough Cure that effected a speedy cure. I cannot speak too highly of that excellent remedy."—Mr. T. K. Houseman, Manatawney, Pa. Hefley Arcularius Drug Co., C. E. Smith, 117 S. Tejon street.

# Can't Sleep?

Did you ever have that feeling of apprehension, the gloom, the blues, the nightmare, poor digestion, your stomach, keeping you awake nights with a combination of anxiety and dyspepsia, terrifying you with horrible dreams, that make the cold perspiration break out on your forehead? Have you a dyspeptic stomach and are you troubled with constipation? Do you have headaches? Do you have sleepless nights and do you wake up with a bad taste in your mouth? Do you have bad dreams? Do you have a coated tongue? Do you have a bad appetite? Do you have a pain in your side? Do you have a dull, heavy feeling after eating? Do you have a bad taste in your mouth

### LEGAL NOTICES

Notice For Proposals.

Sealed proposals for the furnishing of all materials supplies labor and expense necessary for grading, curbing macadamizing and parking in the Cascade Avenue Improvement District of the City of Colorado Springs," as ordered by the City Council of the City of Colorado Springs in an ordinance passed on the 25th day of March A D 1901 in accordance with plans and specifications adopted and prescribed by the City Council of the City of Colorado Springs, the said Cascade Avenue Improvement District covering that portion of North Cascade Avenue in the City of Colorado Springs, extending from the northerly line of San Rafael Street to the southerly line of Del Norte street in said city, will be received at the office of the City Clerk in the City Hall in the City of Colorado Springs aforesaid, until 3 o'clock p m, on the 22d day of April, A. D. 1901

To insure good faith on the part of the bidder a certified check in the sum of One Thousand Dollars ($1,000) must accompany each bid, payable to the City Treasurer of the City of Colorado Springs and to be forfeited to the City of Colorado Springs as liquidated damages in case the bid shall be accepted and the bidder shall fail for ten days after notice of such acceptance, given personally or by mail to his address, to enter into the contract awarded to him.

A printed copy of said ordinance, advertisement and notice to bidders may be examined at the office of city clerk, and a statement of the work, specifications, blank forms for proposals, contract and bond may be examined at the office of the city engineer of said city on and after April 8th, 1901, and until three o clock p m. on the 22nd day of April, A. D. 1901

Upon the opening of bids the City Council will proceed without unnecessary delay to canvass the same and award the contract to the best responsible bidder. The successful bidder will be required to furnish a bond of Ten Thousand Dollars ($10,000) to be approved by the City Council.

The right is hereby reserved to reject any and all bids and to advertise for other bids or otherwise as the City Council may deem best.

By order of the City Council.

I. S. Harris.
City Clerk of the City of Colorado Springs.
First Publication March 30, 1901.
Last Publication April 18, 1901.

Notice to Claimants.

Notice is hereby given that a meeting of the board of directors of school district No. 11, El Paso county Colorado, will be held in the office of the board of education on the 5th day of April, 1901, at 8 p. m at which time the second claim of Lynn S Atkinson on the Ivywild school building, as contractor for the construction of the Ivywild school building, in said district, will be made and full payment thereunder for work and labor done and material furnished prior to the 26th day of March, 1901, and that claimants to whom it is claimed sums are owing for labor or material may file with the undersigned their claims on or before the day of such meeting.

### WEATHER PROGNOSTICATIONS.

Washington, April 2.—Forecast for Colorado: Colder Wednesday; fair in eastern; probably rain in western portion. Thursday fair, variable winds.

See Ashby's Belt window!!

Trunks repaired. Wise, 14 Pike's Peak.

Piano moving a specialty. The Colorado Springs Transfer Co., 14 Pike's Peak.

ALAMO DANCE Thursday night.

"THOMAS CARLYLE"—Subject of Miss McDonald's lecture at the Methodist church today.

EASTER LILIES. Come and inspect the choicest variety of Easter plants and cut flowers in the city at the Crump greenhouses, 509 East Columbia street. Phone 406.

PASTIMES CLUB—The third dance of the series which are being given by the Pastimes club will be held Friday, April 12. Only those having invitations will be admitted to the dance.

CHURCH NOTICE—Attention is called to the annual business meeting at the Second Presbyterian church, corner Seventh and Washington Ave. All members are urged to be present.

LADIES' AID SOCIETY—The Ladies' Aid society of the Second Presbyterian church will meet at the home of Mrs. Hayes, 1112 Grant Ave., Friday, April 5. A cordial invitation extended to all.

JUSTICE COURTS—In Justice McClelland's court yesterday two forcible entry and detainer suits were filed and both were set for trial on April 5. The cases are entitled Harrison vs. Kennedy and Douglas vs. Atkinson.

LECTURE ST. PAUL'S. On Tuesday evening, April 9, at St. Paul's M. E. church, Mr. Geo. S. Welch, of Denver, will give his very interesting stereopticon lecture, "Around the World With a Kodak." You cannot afford to miss this entertaining and instructive lecture.

MRS. DEMAREST DEAD—A telegram was received here last evening announcing the death of Mrs. H. H. Demarest, in Kansas City, Mo., Monday morning at 7:30. Death was due to a surgical operation. Mrs. Demarest was the wife of the former manager of the Western Union Telegraph company in this city and lived here for a number of years. She had a large circle of friends in Colorado Springs, who will be sorry to hear of her death.

COURT HOUSE OPEN. Although yesterday was election day the court house did a good day's business. Under the statute the municipal election days are not legal holidays and county offices must remain open. The county clerk did a good business. The treasurer's office and the assessor's office also did business. The district clerk's office was open and two suits were filed. Judge Cunningham sat in chambers but did not dispose of any matters of importance. The county court was closed as voting was going on in the court room.

WARRANTY DEEDS. The following warranty deeds were filed with the county clerk yesterday despite the election: Colorado Springs Co. to A. W. Burton, lot 12, block 3, Hillside, $250; Emilene I. Asbury to William S. Comstock, lot 6, block 8, South End addition, $500; Mary J. McCombs to W. T. Walker, lots 1 and 2, block 21, East Colorado City, $550; A. W. Burton to F. E. Miller, lot 12, block 3, Hillside, $1,000; C. P. Bennett to John C. Shedd, south half of lot 5, block F, Mayfair addition, $1,500; F. D. Pastorius et al. to Mary Sixt, part of lots 15 and 16 Kensington's subdivision, block 235, addition No. 1, $1,000.

The Rio Grande will sell tickets via Denver and the Burlington, Union Pacific or Rock Island routes or via Pueblo and Missouri Pacific railway. Sleeper accommodations reserved and baggage checked through. Get your tickets in person at this office. Then you will know that they will be correct. The best roads and the best time. Rio Grande office, 16 North Tejon street.

## "The Promenade"

is a new style of picture size, which up-to-date folks are now having taken.

In entertaining our claim of being up-to-date ourselves, we have just received some pretty designs in the "Promenade" picture frames.

We believe you will appreciate these if you see them.

R. ASHBY,
THE OPTICAL JEWELER
Bank Building, Colorado Springs.

Note: Get the size of the frame before you have the picture taken.

DR. E. W. THOMPSON,
DENTIST.
Over 10 South Tejon St.
Graduate of the Philadelphia Dental College.

A pleasing custom now generally recognized is the presentation of the Easter token of friendship or love.

The jeweler's stock ever appeals to the gift-maker.

Our general line of gold and silver novelties affords ample variety to suit the most fastidious.

Our prices encourage good humor.

C. L. VAN WERT, Jeweler
104 Pike's Peak Ave.

MOORE & EDWARDS.

Nowhere in Colorado are groceries sold as cheap as in Colorado Springs. Nowhere in Colorado Springs can you get as close to the producer as at the PREMIUM GROCERY. Not in a Trust. F. B. ROSS.

NOTICE!

To all the good people who have traveled around,
Look out for low prices that are offered in this town.
When they offer goods so cheap we all know their game;
When their prices are so low the quality is the same.
Some advertise low prices that is all they can do:
But it don't catch them all, it only catches a few.
When you buy fish you want it fresh and sweet.
Anyone knows the kind we handle cannot be beat.
To handle the best goods is always our aim;
And our prices are no higher than others if the quality of their goods is the same.
